

at the most recent address provided by the participant.

(c) A participant who is covered by FERS or who is a member of the uniformed services must obtain the consent of his or her spouse before obtaining an in-service withdrawal, unless the participant was granted an exception under § 1650.65 to the signature requirement within 90 days of the date the withdrawal form is processed by the TSP. To show the spouse's consent, a participant must submit to the TSP record keeper a properly completed withdrawal request form, signed by his or her spouse in the presence of a notary. Once a form containing the spouse's consent has been submitted to the TSP record keeper, the spouse's consent is irrevocable for that withdrawal.

**§ 1650.63 Executive Director's exception to the spousal notification requirement.**

(a) Whenever this subpart requires the Executive Director to give notice of an action to the spouse of a CSRS participant, an exception to this requirement may be granted if the participant establishes to the satisfaction of the Executive Director that the spouse's whereabouts cannot be determined. A request for an exception to the notification requirement based on unknown whereabouts must be submitted to the Executive Director on Form TSP-16 or Form TSP-U-16, Exception to Spousal Requirements, accompanied by one of the following:

(1) A court order stating that the spouse's whereabouts cannot be determined;

(2) A police or governmental agency determination, signed by the appropriate department or division head, which states that the spouse's whereabouts cannot be determined; or

(3) Statements by the participant and two other persons, which meet the following requirements:

(i) The participant's statement must give the full name of the spouse, declare the participant's inability to locate the spouse, state the last time the spouse's location was known, explain why the spouse's location is not known currently, and describe the good faith efforts the participant has made to locate the spouse in the 90 days before the request for an exception was received by the TSP. Examples of attempting to locate the spouse include, but are not limited to, checking with relatives and mutual friends or using telephone directories and directory assistance for the city of the spouse's last known address. Negative statements, such as, "I have not seen nor

heard from him," or "I have not had contact with her," are not sufficient.

(ii) The statements from two other persons must support the participant's statement that he or she does not know the spouse's whereabouts, and substantiate the participant's description of the efforts he or she made to locate the spouse, including the dates the participant made those efforts.

(iii) All statements must be signed and dated and must include the following certification: "I understand that a false statement or willful misrepresentation is punishable under Federal law (18 U.S.C. 1001) by a fine or imprisonment or both."

(b) A withdrawal election will be processed within 90 days of an approved exception so long as the spouse named on the form is the spouse for whom the exception has been approved. The spouse's SSN must be included on the withdrawal request.

(c) The TSP, in its discretion, may require a participant to provide additional information before granting a waiver. The TSP may use any of the information provided to conduct its own search for the spouse.

**§ 1650.64 Executive Director's exception to the spousal consent requirement.**

(a) Whenever this subpart requires the consent of a spouse of a FERS or uniformed services participant to a loan or withdrawal or a waiver of the right to a survivor annuity, an exception to this requirement may be granted if the participant establishes to the satisfaction of the Executive Director that:

(1) The spouse's whereabouts cannot be determined in accordance with the provisions of § 1650.64; or

(2) Due to exceptional circumstances, requiring the spouse's signature would be inappropriate.

(i) An exception to the requirement for a spouse's signature may be granted based on exceptional circumstances only when the participant presents a court order or government agency determination that contains a finding or a recitation of exceptional circumstances regarding the spouse which would warrant an exception to the signature requirement.

(ii) Exceptional circumstances are narrowly construed, but are exemplified by a court order or government agency determination that:

(A) Indicates that the spouse and the participant have been maintaining separate residences with no financial relationship for three or more years;

(B) Indicates that the spouse abandoned the participant, but for religious or similarly compelling

reasons, the parties chose not to divorce; or

(C) Expressly states that the participant may obtain a loan from his or her TSP account or withdraw his or her Thrift Savings Plan account balance notwithstanding the absence of the spouse's signature.

(b) A post-employment withdrawal election or an in-service withdrawal request processed within 90 days of an approved exception will be accepted by the TSP so long as the spouse named on the form is the spouse for whom the exception has been approved. The spouse's SSN must be included on the withdrawal request form.
