(b) *TSP withdrawals.* If the TSP processes a notice that a participant has died, it will cancel any pending request by the participant to withdraw his or her account. The TSP will also cancel an annuity purchase made on or after the participant's date of death but before annuity payments have begun, and the annuity vendor will return the funds to the TSP. The funds designated by the participant for the withdrawal will be paid as a death benefit in accordance with paragraph (a) of this section, unless the participant elected to withdrawal his or her account in the form of an annuity, in which case the funds designated for the purchase of the annuity will be paid as described below:

If a TSP loan has been disbursed, but the check has not been negotiated (or an electronic funds transfer (EFT) has been returned), the loan proceeds will be used to pay off the loan. If the loan check has been negotiated (or the EFT has been processed), the funds cannot be returned to the TSP and the TSP will declare the loan balance as a taxable distribution in accordance with 5 CFR 1655.15.

(d) *Investment of a TSP account upon notice of death.* If a participant dies with any portion of his or her TSP account in an investment fund other than the G Fund, the TSP will transfer the entire account into the G Fund after it processes a notice that the participant has died, or a death code indicating the participant's death from the participant's agency or service.
