### Office of the Secretary

#### Defense Science Board

**AGENCY:** Department of Defense.

**ACTION:** Notice of Advisory Committee meetings.

**SUMMARY:** The Defense Science Board Task Force on Enabling Joint Force Capabilities will tentatively meet in closed session on July 1, 2003, at SAIC, 4001 N. Fairfax Drive, Arlington, VA. This Task force will review the current state of assigned responsibilities and accountability for joint capabilities to quickly bring combat forces together and focus them on joint objectives across a wide spectrum of possible contingencies and will help identify unfilled needs and areas where assigned responsibility and accountability calls for further clarification and/or organizational arrangements.

The mission of the Defense Science Board is to advise the Secretary of Defense and the Under Secretary of Defense for Acquisition, Technology & Logistics on scientific and technical matters as they affect the perceived needs of the Department of Defense. At the meeting, the Defense Science Board Task Force will identify specific characteristics and examples of organizations that could be capable of accepting responsibility and accountability for delivering the capability with needed responsiveness, and will recommend further steps to strengthen the joint structure ability to quickly integrate service-provided force capabilities into effective joint forces.

In accordance with section 10(d) of the Federal Advisory Committee Act, Pub. L. 92-463, as amended (5 U.S.C. App. II), it has been determined that the Defense Science Board Task Force meeting concerns matters listed in 5 U.S.C. 552b(c)(1) and that, accordingly, the meeting will be closed to the public.
