

outside the DoD as a routine use pursuant to 5 U.S.C. 552a(b)(3) as follows:

Statistical summary data with no identifiers may be provided to federal, state and local governments for public health surveillance and research.

The DoD 'Blanket Routine Uses' published at the beginning of the Air Force's compilation of record system notices apply to this system, except as stipulated in 'Note' below.

Note: Records of identity, diagnosis, prognosis or treatment of any client/patient, irrespective of whether or when he/she ceases to be a client/patient, maintained in connection with the performance of any alcohol/drug abuse treatment function conducted, requested, or directly or indirectly assisted by any department or agency of the United States, shall, except as provided herein, be confidential and be disclosed only for the purposes and under the circumstances expressly authorized in 42 U.S.C. 290dd-2. This statute takes precedence over the Privacy Act of 1974 in regard to accessibility of such records except to the individual to whom the record pertains. The DoD 'Blanket Routine Uses' do not apply to these types of records.

Note: This system of records contains individually identifiable health information. The DoD Health Information Privacy Regulation (DoD 6025.18-R) issued pursuant to the Health Insurance Portability and Accountability Act of 1996, applies to most such health information. DoD 6025.18-R may place additional procedural requirements on the uses and disclosures of such information beyond those found in the Privacy Act of 1974 or mentioned in this system of records notice.
