

Creek Coal Company's coal lease MTM-069782. The catch bench and dragline sidebench will serve multiple purposes, which include but are not limited to, drainage ditches, light vehicle access, and haul truck haulage. The total disturbed area would be approximately 3.5 acres. The subject land would be offered noncompetitively to Spring Creek Coal Company as an amendment to their existing Land Use Lease MTM-74913 for stockpiling of topsoil and overburden, construction of a haul road, and for drainage control, as the land is adjacent to the Spring Creek coal mine operation. The proposed lease amendment will provide authorized surface use of the public land. The lease amendment will be subject to the terms and conditions of the existing lease.

The application will be accepted for this lease amendment at the address listed above at the end of the 45 day comment period for this notice. The application will be subject to reimbursement of costs in accordance with the provisions of 43 CFR 2920.6. The land will be leased at fair market value as determined by appraisal. The application must include a reference to this notice and a complete description of the proposed project.

Proposed Supplementary Rules for the BLM-Managed Shoreline of Lake Havasu, the Parker Strip Recreation Area, and the Craggy Wash Area, in Mohave and La Paz Counties, AZ and in San Bernardino County, CA

AGENCY: Lake Havasu Field Office, Bureau of Land Management (BLM), Interior.

ACTION: Notice.

SUMMARY: This notice contains proposed revised supplementary rules for the BLM-managed shoreline of Lake Havasu, a manmade lake on the Colorado River located in Arizona and California, including the boat-access campsites; revised supplementary rules for the Parker Strip Recreation Area, located along the Colorado River downstream from Lake Havasu; and new supplementary rules for the Craggy Wash area, located north of the Lake Havasu City Municipal Airport (AZ). These supplementary rules are part of the implementation of the ongoing management of the Lake Havasu Shoreline Program. The revised supplementary rules would replace existing rules for the Parker Strip Recreation Area and for the Crossroads and Empire Landing Campgrounds. Heavy visitation during the fall, winter and spring makes new supplementary rules for Craggy Wash necessary. The supplementary rules will help reduce conflicts among a wide variety of multiple users.

DATES: You should submit your comments by July 16, 2003. In developing final supplementary rules, BLM may not consider comments postmarked or received in person or by electronic mail after this date.
