

is based on a 100 point scale with a maximum adjustment of 15 points). In order to assure equitable distribution of awards in terms of geography, there is a maximum of 2 awards per State.

Funding preference will be applied to FY 2002 funded grantees in the Sickle Cell Newborn Screening Program. Preference will only be given to those applicants who rank above the 20th percentile of applications recommended for approval by the Objective Review Group.

Review Criteria

Applications that are complete and responsive to the guidance will be evaluated by an objective review panel specifically convened for this solicitation and in accordance with HRSA grants management policies and procedures.

Applications for community-based grants will be evaluated using the following criteria:

1. The proposed activities, if well executed, are capable of attaining project objectives.
2. The project objectives are capable of achieving the specific program objectives defined in the program announcement and the proposed results are measurable.
3. The method for evaluating proposed results includes criteria for determining the extent to which the program has achieved its stated objectives and the extent to which the accomplishment of objectives can be attributed to the program.
4. The estimated costs to the government of the project are reasonable considering the level and complexity of activity and the anticipated results.
5. The project personnel are well qualified by training and/or experience for the support sought, and the

applicant organization has adequate facilities and manpower.

Additional criteria may be used to review and rank applications for this competition. Any such criteria will be identified in the program guidance included in the application kit. Applicants should pay strict attention to addressing these criteria, in addition to those referenced above. Also, to the extent that regulatory review criteria generally applicable to all Title V programs (at 42 CFR part 51a) are relevant to this specific project, such factors will be taken into account.

Paperwork Reduction Act

OMB approval for any data collection in connection with this cooperative agreement will be sought, as required under the Paperwork Reduction Act of 1995.

Public Health System Reporting Requirements

The second component (Community-based Sickle Cell Disease organizations—Project 2) of this program is subject to the Public Health System Reporting Requirements (approved under OMB No. 0937-0195). Under these requirements, the community-based nongovernmental applicant must prepare and submit a Public Health System Impact Statement (PHSIS). The PHSIS is intended to provide information to State and local health officials to keep them apprised of proposed health services grant applications submitted by community-based nongovernmental organizations within their jurisdictions.

Community-based nongovernmental applicants are required to submit the following information to the head of the appropriate State and local health agencies in the area(s) to be impacted no later than the Federal application receipt due date:

(a) A copy of the face page of the application (SF 424).

(b) A summary of the project (PHSIS), not to exceed one page, which provides:

- (1) A description of the population to be served.
- (2) A summary of the services to be provided.
- (3) A description of the coordination planned with the appropriate State and local health agencies.
