Fresh Garlic From the People's Republic of China: Final Results of Antidumping Duty New Shipper Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of final results of the antidumping duty new shipper review of fresh garlic from the People's Republic of China.

SUMMARY: On April 29, 2003, the Department of Commerce published the preliminary results of the new shipper review of the antidumping duty order on fresh garlic from the People's Republic of China. The period of review is November 1, 2001, through April 30, 2002. The review covers subject merchandise produced by two companies, of which one, the respondent company in this review, exported the merchandise to the United States.

We invited interested parties to comment on the preliminary results. Because we received no comments, we have made no changes to our preliminary determination that, based on the use of adverse facts available, the respondent sold subject merchandise to the United States at prices below normal value. The final dumping margin for the new shipper review is listed in the "Final Result of Review" section below.

EFFECTIVE DATE: June 19, 2003.
