

Determination of Producer Approval and Representative Period

March 2003 is hereby determined to be the representative period for the purpose of ascertaining whether the issuance of the order, as amended in the Interim Final Rule published in the **Federal Register** on April 22, 2002 (67 FR 19507), regulating the handling of milk in the Upper Midwest marketing area is approved or favored by producers, as defined under the terms of the order (as amended and as hereby proposed to be amended) who during such representative period were engaged in the production of milk for sale within the aforesaid marketing area.

List of Subjects in 7 CFR Part 1030

Milk marketing orders.

Dated: June 18, 2003.

A.J. Yates,

Administrator, Agricultural Marketing Service.

Order Amending the Order Regulating the Handling of Milk in the Upper Midwest Marketing Area

This order shall not become effective unless and until the requirements of § 900.14 of the rules of practice and procedure governing proceedings to formulate marketing agreements and marketing orders have been met.

Findings and Determinations

The findings and determinations hereinafter set forth supplement those that were made when the order was first issued and when it was amended. The previous findings and determinations are hereby ratified and confirmed, except where they may conflict with those set forth herein.

(a) *Findings.* A public hearing was held upon certain proposed amendments to the tentative marketing agreement and to the order regulating the handling of milk in the Upper Midwest marketing area. The hearing was held pursuant to the provisions of

the Agricultural Marketing Agreement Act of 1937, as amended (7 U.S.C. 601–674), and the applicable rules of practice and procedure (7 CFR Part 900).

Upon the basis of the evidence introduced at such hearing and the record thereof, it is found that:

(1) The said order as hereby amended, and all of the terms and conditions thereof, will tend to effectuate the declared policy of the Act;

(2) The parity prices of milk, as determined pursuant to section 2 of the Act, are not reasonable in view of the price of feeds, available supplies of feeds, and other economic conditions which affect market supply and demand for milk in the aforesaid marketing area. The minimum prices specified in the order as hereby amended are such prices as will reflect the aforesaid factors, insure a sufficient quantity of pure and wholesome milk, and be in the public interest; and

(3) The said order as hereby amended regulates the handling of milk in the same manner as, and is applicable only to persons in the respective classes of industrial or commercial activity specified in, a marketing agreement upon which a hearing has been held.

Order Relative to Handling

It is therefore ordered, that on and after the effective date hereof, the handling of milk in the Upper Midwest marketing area shall be in conformity to and in compliance with the terms and conditions of the order, as amended, and as hereby amended, as follows:

The provisions of the order amending the order contained in the interim amendment of the order issued by the Administrator, Agricultural Marketing Service, on April 16, 2002, and published in the **Federal Register** on April 22, 2002 (67 FR 19507), are adopted without change and shall be and are the terms and provisions of this order.
