DEPARTMENT OF TRANSPORTATION

Federal Transit Administration

Environmental Impact Statement on Transit Improvements in the Metro South Study Area of Metropolitan St. Louis, MO

AGENCY: Federal Transit Administration (FTA), Department of Transportation (DOT).

ACTION: Notice of intent to prepare an Environmental Impact Statement (EIS).

SUMMARY: The Federal Transit Administration (FTA), the East-West Gateway Coordinating Council, the Bi-State Development Agency doing business as Metro, and the Missouri Department of Transportation (DOT) intend to prepare an EIS in accordance with the National Environmental Policy Act (NEPA) and its implementing regulations for proposed transportation improvements in the Metro South Study Area of metropolitan St. Louis County, Missouri. The project co-sponsors include the East-West Gateway Coordinating Council (EWGCC) which is the metropolitan planning organization (MPO) responsible for transportation planning in the St. Louis

metropolitan area, Metro which is the transit agency that operates the MetroLink light rail system and the bus system in the St. Louis metropolitan area, and the Missouri DOT.

This notice is being published to notify interested agencies and the general public about the proposed action and to invite participation in the study. Scoping will be accomplished through correspondence and meetings with interested persons, organizations, and federal, state, and local agencies. A public scoping meeting and an interagency scoping meeting are currently planned.

The Metro South Study Area is bounded by the River Des Peres on the north, the Mississippi River on the east, the Meramec River on the south, and various streets including Gravois, Sappington, Watson, and Edgar on the west. Within this study area, transit improvements alternatives including light-rail transit alternatives, a transportation systems management (TSM) alternative, an enhanced bus system alternative, a no-action alternative and any additional reasonable alternatives emerging from the scoping process will be evaluated.

DATES: The public scoping meeting is scheduled for July 23, 2003 from 4 to 7 p.m. at the address given under

ADDRESSES. The interagency scoping meeting is scheduled for July 25, 2003. Written comments on the scope of the study must be received at the EWGCC by August 8, 2003. See **ADDRESSES** for mailing information.

ADDRESSES: Scoping Meetings: The public scoping meeting on July 23, 2003 will be held in the gymnasium of Cor Jesu Academy, 10230 Gravois Road, St. Louis, Missouri 63123. The meeting will take place from 4 to 7 p.m. Oral and written comments on the scope of the study may be given at the meeting. The meeting site is wheelchair-accessible. Any person who requires language interpretation or special communication accommodations is asked to contact the project's public-participation coordinator, Laurna Godwin of Vector Communications at (314) 621–5566

prior to the meeting. Federal, state, and local agencies will be notified individually about the location of the interagency scoping meeting.

Written Comments: Written comments on the scope of the study may be sent to Mr. Bob Innis, Transportation Corridor Improvement Group, East-West Gateway Coordinating Council, 10 Stadium Plaza, St. Louis, MO 63102; or by e-mail to bob.innis@ewgateway.org.

FOR FURTHER INFORMATION CONTACT: Ms. Joan Roeseler, Director of Planning and Program Development, FTA Region 7, 901 Locust Street, Kansas City, Missouri 64106; Telephone: (816) 329–3936.

SUPPLEMENTARY INFORMATION:

I. Scoping

Scoping information material will be available at the meetings and may also be obtained by contacting Mr. Bob Innis at his address in **ADDRESSES** above or by telephone at (314) 982–1400, Extension 1767. Scoping information will also be available on the Internet at <http://www.metrosothstudy.org> FTA, EWGCC, Metro, and the Missouri DOT invite all interested individuals and organizations, and Federal, State, regional, and local agencies to participate in articulating the purpose and need for the proposed transit improvements, defining the transit alternatives to be evaluated, and identifying social, economic, or environmental issues related to the alternatives. During the scoping process, comments should focus on specific social, economic, or environmental issues to be evaluated and on suggesting alternatives that may be less costly or have fewer environmental impacts while achieving similar transportation objectives.

II. Planning History and Process

A multimodal major investment study entitled the Cross-County Corridor Major Transportation Investment Analysis (MTIA) was carried out in 1995–1997. This study examined transportation problems and identified potential solutions at a conceptual level
