

disclosure of the type, quantity, and country of origin of all fruits and vegetables in the shipment, either orally for non-commercial shipments or on an invoice or similar document for commercial shipments, and present that document to an inspector prior to moving the fruits or vegetables from the port in accordance with paragraph (d) of this section. All fruits and vegetables must be accurately disclosed and made available to an inspector for examination. The owner or agent must assemble the fruits and vegetables for

inspection at the port of first arrival, or at any other place designated by an inspector, and in a manner designated by the inspector.

(d) *Release for movement.* No person may move a fruit or vegetable from the U.S. port of first arrival unless an inspector has:

(1) Inspected the fruit or vegetable and released it;

(2) Ordered treatment at the port of first arrival and, after treatment, released it;

(3) Authorized movement to another location for treatment, further inspection, or destruction;

(4) Ordered the fruit or vegetable to be re-exported; or

(5) Waived the inspection.
