[Program Announcement 03125]

Mental Health of Humanitarian Aid Workers Program; Notice of Availability of Funds

Application Deadline: July 28, 2003.

A. Authority and Catalog of Federal Domestic Assistance Number

This program is authorized under sections 301, 307, and 317 of the Public Health Service Act, [42 U.S.C. 241, 2421, and 247b], as amended. The Catalog of Federal Domestic Assistance number is 93.283.

B. Purpose

The Centers for Disease Control and Prevention (CDC) announces the availability of fiscal year (FY) 2003 funds for a cooperative agreement program to design a program to mitigate the impact of stress and trauma on humanitarian aid workers. Measurable outcomes from this program would include a functional framework for stress and trauma prevention measures in humanitarian aid organizations.

C. Eligible Applicants

Assistance will be provided to a public, private, for-profit, or non-profit organization (including faith-based organizations) that has an international capacity to plan programs to mitigate the impact of traumatic stress on humanitarian aid workers.

Competition is being limited to organizations with specific capacity and experience working with humanitarian aid workers due to the unusual nature of traumatic exposures that humanitarian aid workers receive in the course of their work. This experience is paramount to understanding the unique needs of this population.

Note: Title 2 of the United States Code section 1611 states that an organization described in section 501(c)(4) of the Internal Revenue Code that engages in lobbying activities is not eligible to receive Federal funds constituting an award, grant or loan.
