Substance Abuse and Mental Health Services Administration

Fiscal Year (FY) 2003 Funding Opportunities

AGENCY: Substance Abuse and Mental Health Services Administration, HHS.

ACTION: Notice of funding availability for The Centers for the Application of Prevention Technologies (Short Title: CAPTs).

SUMMARY: The Substance Abuse and Mental Health Services Administration (SAMHSA) Center for Substance Abuse Prevention (CSAP) announces the availability of FY 2003 funds for grants for the following activity. This notice is not a complete description of the activity; potential applicants must obtain a copy of the Request for Applications (RFA), including Part I, *The Centers for the Application of Prevention Technologies (SP 03-002) (Short Title: CAPTs)*, and Part II, *General Policies and Procedures Applicable to all SAMHSA Applications for Discretionary Grants and Cooperative Agreements*, before preparing and submitting an application.

Activity	Application deadline	Est. Funds FY 2003	Est. No. of awards	Project period
The Centers for the Application of Prevention Technologies.	March 10, 2003	\$8,000,000	5	5 years.

The actual amount available for the award may vary depending on unanticipated program requirements and actual SAMHSA appropriations. This program is being announced prior to the annual appropriation for FY 2003 for SAMHSA's programs. Applications are invited based on the assumption that sufficient funds will be appropriated for FY 2003 to permit funding of State Training and Evaluation of Evidence-Based Practices grants. This program is being announced in order to allow applicants sufficient time to plan and prepare applications. Solicitation of applications in advance of a final appropriation will also enable the award of appropriated grant funds in an expeditious manner and thus allow prompt implementation and evaluation of promising practices. All applicants are reminded, however, that we cannot guarantee sufficient funds will be appropriated to permit SAMHSA to fund the grants. This program is authorized under Section 516 of the Public Health Service Act. SAMHSA's policies and procedures for peer review and Advisory Council review of grant

and cooperative agreement applications were published in the **Federal Register** (Vol. 58, No. 126) on July 2, 1993.

General Instructions: Applicants must use application form PHS 5161-1 (Rev. 7/00). The application kit contains the two-part application materials (complete programmatic guidance and instructions for preparing and submitting applications), the PHS 5161-1 which includes Standard Form 424 (Face Page), and other documentation and forms. Application kits may be obtained from:

The National Clearinghouse for Alcohol and Drug Information (NCADI): (800) 789-2647 or (800-487-4889 TDD).

The PHS 5161-1 application form and the full text of the grant announcement are also available electronically via SAMHSA's World Wide Web Home Page: <http://www.samhsa.gov> (Click on "Grant Opportunities").

When requesting an application kit, the applicant must specify the particular announcement number for which detailed information is desired. All information necessary to apply, including where to submit applications

and application deadline instructions, are included in the application kit.

Purpose: The Substance Abuse and Mental Health Services Administration (SAMHSA), Center for Substance Abuse Prevention (CSAP) is accepting applications for Fiscal Year 2003 cooperative agreements for five regional Centers for the Application of Prevention Technologies or CAPTs. The CAPTs are SAMHSA/CSAP's primary knowledge application and capacity expansion program supporting CSAP's mission to bring effective substance abuse prevention to every community. As such, the CAPTs form the cornerstone of CSAP's efforts to move science into services. Under the guidance of CSAP, the CAPTs work to expand the capacity of the substance abuse prevention field through the application of effective evidence/science-based programs, practices, and policies within every State prevention service system and community. To accomplish this, the CAPTs provide their clients with timely and effective technical assistance, training, dissemination, and communication
