

Management Area, Unit 5, or Unit 9(B) which are not removed from the Management Area or Unit.

(i) In areas where sealing is required by Federal regulations, you may not possess or transport the hide of a bear which does not have the penis sheath or vaginal orifice naturally attached to indicate conclusively the sex of the bear.

(ii) If the skin or skull of a bear taken in the Western Alaska Brown Bear Management Area is removed from the area, you must first have it sealed by an ADF&G representative in Bethel, Dillingham, or McGrath; at the time of sealing, the ADF&G representative shall remove and retain the skin of the skull and front claws of the bear.

(iii) If you remove the skin or skull of a bear taken in the Northwestern Alaska Brown Bear Management Area from the area or present it for commercial tanning within the Management Area, you must first have it sealed by an ADF&G representative in Barrow, Fairbanks, Galena, Nome, or Kotzebue; at the time of sealing, the ADF&G representative shall remove and retain the skin of the skull and front claws of the bear.

(iv) If you remove the skin or skull of a bear taken in Unit 5 from the area, you must first have it sealed by an ADF&G representative in Yakutat; at the time of sealing, the ADF&G representative shall remove and retain the skin of the skull and front claws of the bear.

(4) You may not falsify any information required on the sealing certificate or temporary sealing form provided by the ADF&G in accordance with State regulations.

(k) *Sealing of beaver, lynx, marten, otter, wolf, and wolverine.* You may not possess or transport from Alaska the untanned skin of a marten taken in Units 1–5, 7, 13(E), and 14–16 or the untanned skin of a beaver, lynx, otter, wolf, or wolverine, whether taken inside or outside the State, unless the skin has been sealed by an authorized representative of ADF&G in accordance with State regulations. In Unit 18, you must obtain an ADF&G seal for beaver skins only if they are to be sold or commercially sold.

(1) You must seal any wolf taken in Unit 2 on or before the 30th day after the date of taking.

(2) You must leave the radius and ulna of the left foreleg naturally attached to the hide of any wolf taken in Units 1–5 until the hide is sealed.

(l) If you take a species listed in paragraph (k) of this section but are unable to present the skin in person, you must complete and sign a temporary sealing form and ensure that

the completed temporary sealing form and skin are presented to an authorized representative of ADF&G for sealing consistent with requirements listed in paragraph (k) of this section.

(m) You may take wildlife, outside of established season or harvest limits, for food in traditional religious ceremonies, that are part of a funerary or mortuary cycle, including memorial potlatches, under the following provisions:

(1) The harvest does not violate recognized principles of wildlife conservation and uses the methods and means allowable for the particular species published in the applicable Federal regulations. The appropriate Federal land manager will establish the number, species, sex, or location of harvest, if necessary, for conservation purposes. Other regulations relating to ceremonial harvest may be found in the unit-specific regulations in § .26(n).

(2) No permit or harvest ticket is required for harvesting under this section; however, the harvester must be a Federally qualified subsistence user with customary and traditional use in the area where the harvesting will occur.

(3) In Units 1–26 (except for Koyukon/Gwich'in potlatch ceremonies in Units 20(F), 21, 24, or 25):

(i) A tribal chief, village council president or the chief's or president's designee for the village in which the religious ceremony will be held, or a Federally qualified subsistence user outside of a village or tribal-organized ceremony, must notify the nearest Federal land manager that a wildlife harvest will take place. The notification must include the species, harvest location, and number of animals expected to be taken.

(ii) Immediately after the wildlife is taken, the tribal chief, village council president or designee, or other Federally qualified subsistence user must create a list of the successful hunters and maintain these records including the name of the decedent for whom the ceremony will be held. If requested, this information must be available to an authorized representative of the Federal land manager.

(iii) The tribal chief, village council president or designee, or other Federally qualified subsistence user outside of the village in which the religious ceremony will be held must report to the Federal land manager the harvest location, species, sex, and number of animals taken as soon as practicable, but not more than 15 days after the wildlife is taken.

(4) In Units 20(F), 21, 24, and 25 (for Koyukon/Gwich'in potlatch ceremonies only):

(i) Taking wildlife outside of established season and harvest limits is authorized if it is for food for the traditional Koyukon/Gwich'in Potlatch Funerary or Mortuary ceremony and if it is consistent with conservation of healthy populations.

(ii) Immediately after the wildlife is taken, the tribal chief, village council president, or the chief's or president's designee for the village in which the religious ceremony will be held must create a list of the successful hunters and maintain these records. The list must be made available, after the harvest is completed, to a Federal land manager upon request.

(iii) As soon as practical, but not more than 15 days after the harvest, the tribal chief, village council president, or designee must notify the Federal land manager about the harvest location, species, sex, and number of animals taken.

(n) Unit regulations. You may take for subsistence unclassified wildlife, all squirrel species, and marmots in all Units, without harvest limits, for the period of July 1–June 30. Unit-specific restrictions or allowances for subsistence taking of wildlife are identified at paragraphs (m)(1) through (26) of this section.
