The Office of Small and Disadvantaged Business Utilization (OSDBU) strive to improve and increase the Department's performance in utilizing small, small disadvantage, small woman-owned and veteran-owned businesses as contractors and subcontractors. Our various bureaus spend approximately *two billion dollars a year in the private sector*. Currently, more than 42 percent of those dollars go to small businesses, with 10 to 15 percent going to minority-owned firms and 3 to 5 percent going to woman-owned companies.

The OSDBU Director and the Deputy Attorney General are committed to encouraging and assisting well-qualified and skillful small, minority, and woman-owned businesses seeking contracts with the Department of Justice. The acquisition function in the Justice Department has been assigned to each of our bureaus' contracting staffs, most of which are located in the metropolitan Washington, DC area. We have prepared several avenues to assist small and disadvantaged businesses in getting better acquainted with the requirements and procurement practices of the bureaus.

The Forecast of Contract Opportunities provides projected contract opportunities that may become available from the various DOJ bureaus during the specified fiscal year. The forecast information also includes the product/service with the North American Industry Classification System codes; the anticipated procurement release date by fiscal year quarter; applicable or proposed preference program set-aside; the government estimate; and the incumbent contractor if any.

Carefully review this listing and refer all questions about a proposed action to the listed contact. Questions about the forecast should be directed to the DOJ OSDBU staff on (202) 616-0521 or 1-800-345-3712.
