Treasury

Office of Small Business Development www.treas.gov/sba.

Our Office of Small Business Development has a robust small business program to ensure both small business prime and subcontracting opportunities. The following examples, initiatives, and partnerships demonstrate Treasury's commitment:

Outreach Efforts

- Maintain a vigorous small business procurement Web site (www.treas.gov/sba).

- Treasury's annual forecast of contract opportunities and small business subcontracting opportunities directory are posted on the small business Web site, and we make hard copies available upon request and at all of the small business outreach events we attend.

- Our highly successful Treasury Monthly Vendor Outreach Session program allows small businesses to meet with Treasury bureau small business specialists. We also include special guests representing other federal agencies or prime contractors to discuss procurement opportunities on a pre-arranged 15 minute basis in one central location. Our schedule is published a year in advance to allow small business to plan their marketing efforts.

- Treasury's outreach efforts also include two Treasury IT Program Manager Vendor Outreach Session events each year (this event is modeled after our Monthly Vendor Outreach Session).

- In Treasury's capacity as Chair of the OSDDBU Directors Interagency Council outreach committee, we have taken the lead on the government-wide Annual OSDDBU Directors Procurement Conference held in April of each year. This event is also posted on our Web site.

- We have also focused our efforts in targeted outreach on a nationwide basis, such as trade fair participation, seminar presentations, panel program discussions on specific topics, and one-on-one counseling.

- The OSBD has built a solid relationship with a variety of small business trade associations. On April 12, 2000, Treasury entered into an historic Memorandum of Understanding with 17 small, minority, and women-owned small business trade associations to increase the ability of small minority and women-owned small businesses to compete for Treasury procurements in industries reflecting under-representation while maintaining participation in industries with successful utilization.

- A list of the Top 25 Treasury purchases is published, listed by industry classification over a five year period to provide an opportunity for "targeted outreach".

- Treasury implemented a mentor-protégé pilot program. We are the only agency in which protégés may be small businesses of all types—SB, SDB, WOSB, HUBZSB, SDVOSB, and VOSB.
