

of reasonable dues, fees and other charges among its members.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any inappropriate burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the CHX consents, the Commission will:

(A) By order approve the proposed rule change, or

(B) Institute proceedings to determine whether the proposed rule change should be disapproved.

IV. Solicitation of Comments

On July 2, 2002, the Commission issued an Order abrogating certain proposed rule changes relating to market data revenue sharing programs.⁶ In that Order, the Commission expressed concern that the subject proposed rule changes raised "serious questions as to whether they are consistent with the Act and with the protection of investors." Specifically, the Commission questioned the effect of market data rebates on the accuracy of market data, and on the regulatory functions of self-regulatory organizations.

The Commission now solicits comment on the CHX's proposed rule change, and in general, on (1) market data fees; (2) the collection of market data fees; (3) the distribution of market data rebates; (4) the effect of market data revenue sharing programs on the accuracy of market data; and (5) the impact of market data revenue sharing programs on the regulatory functions of self-regulatory organizations.

Interested persons are invited to submit written data, views and

arguments concerning the foregoing, including whether the proposal is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington DC 20549-0609. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying at the Commission's Public Reference Room. Copies of such filings will also be available for inspection and copying at the principal office of the Exchange. All submissions should refer to File No. SR-CHX-2003-15 and should be submitted by July 21, 2003.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.⁷

Margaret H. McFarland,

Deputy Secretary.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-48081; File No. SR-EMCC-2003-02]

Self-Regulatory Organizations; Emerging Markets Clearing Corporation; Notice of Filing of a Proposed Rule Change Modifying the Clearing Fund Calculation

June 24, 2003.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ notice is hereby given that on May 8, 2003, Emerging Markets Clearing Corporation ("EMCC") filed with the Securities and Exchange Commission ("Commission") and on June 2, 2003, and June 5, 2003, amended the proposed rule change as described in Items I, II, and III below, which items have been prepared primarily by EMCC. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

⁷ 17 CFR 200.30-3(a)(12).

¹ 15 U.S.C. 78s(b)(1).

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The proposed rule change would modify the way in which EMCC calculates its members' clearing fund requirements.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, EMCC included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. EMCC has prepared summaries, set forth in sections (A), (B), and (C) below, of the most significant aspects of such statements.²

(A) Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

One of the purposes of the proposed rule change is to modify the clearing fund deposit requirement for certain EMCC members. The proposed change would add Addendum I to EMCC's rules that would establish a fixed amount of \$50 million to be deposited by members who are Inter-Dealer Brokers ("IDBs") or whose only business with EMCC is to clear for IDBs. EMCC would continue to calculate the clearing fund requirements for each of these members. To the extent that the calculated amount exceeds the fixed amount for any day, the difference would be required to be paid by the other EMCC members pro-rata based on their average clearing fund requirements over the previous 30 calendar day period. The calculated amount, however, would continue to be used by EMCC for the purpose of determining pro-rata loss obligations of any member whose deposit is fixed at \$50 million, and the different amounts paid by other members would not be included in determining their pro-rata loss obligations.

The function of an IDB is to bring together principals in transactions on a matched anonymous basis while taking no principal risk themselves. If every dealer who interacted with an IDB were a member of EMCC, the IDB or its clearing firm would have to deposit only a minimal clearing fund amount. To the extent that one side of an IDB trade is not an EMCC member, the clearing fund requirements for the IDB
