

provided the facilities are within a reasonable proximity to each other. If a person serves as the FSO for more than one OCS facility, the name of each OCS facility for which he or she is the FSO must be listed in the Facility Security Plan (FSP) of each OCS facility for which he or she is the FSO.

(3) The FSO may assign security duties to other OCS facility personnel; however, the FSO remains responsible for these duties.

(b) *Qualifications.* The FSO must have general knowledge, through training or equivalent job experience, in the following:

(1) Those items listed in § 106.205(b), and as appropriate § 106.205(c), of this part;

(2) OCS facility layout;

(3) The FSP and related procedures; and

(4) Operation, testing and maintenance of security equipment and systems.

(c) *Responsibilities.* In addition to any other responsibilities specified elsewhere in this part, the FSO must, for each OCS facility for which he or she has been designated:

(1) Regularly inspect the OCS facility to ensure that security measures are maintained in compliance with this part;

(2) Ensure the maintenance of and supervision of the implementation of the FSP, and any amendments to the FSP, in compliance with this part;

(3) Ensure the coordination and handling of stores and industrial supplies in compliance with this part;

(4) Where applicable, propose modifications to the FSP to the Company Security Officer (CSO);

(5) Ensure that any problems identified during audits or inspections are reported to the CSO, and promptly implement any corrective actions;

(6) Ensure security awareness and vigilance on board the OCS facility;

(7) Ensure adequate security training for OCS facility personnel in compliance with this part;

(8) Ensure the reporting and recording of all security incidents in compliance with this part;

(9) Ensure the coordinated implementation of the FSP with the CSO;

(10) Ensure that security equipment is properly operated, tested, calibrated and maintained in compliance with this part;

(11) Ensure consistency between security requirements and the proper treatment of OCS facility personnel affected by those requirements;

(12) Ensure that occurrences that threaten the security of the OCS facility are recorded and reported to the CSO;

(13) Ensure that when changes in the MARSEC Level are attained they are recorded and reported to the CSO, OCS facility owner or operator, and the cognizant District Commander; and

(14) Have prompt access to a copy of the FSA, along with an approved copy of the FSP.

§ 106.215 Company or OCS facility personnel with security duties.

Company or OCS facility personnel responsible for security duties must have knowledge, through training or equivalent job experience, in the following, as appropriate:

(a) Knowledge of current security threats and patterns;

(b) Recognition and detection of dangerous substances and devices;

(c) Recognition of characteristics and behavioral patterns of persons who are likely to threaten security;

(d) Recognition of techniques used to circumvent security measures;

(e) Security related communications;

(f) Knowledge of emergency procedures and contingency plans;

(g) Operation of security equipment and systems;

(h) Testing, calibration, and maintenance of security equipment and systems;

(i) Inspection, control, and monitoring techniques;

(j) Methods of physical screenings of persons, personal effects, stores and industrial supplies;

(k) Relevant provisions of the Facility Security Plan (FSP); and

(l) The meaning and the consequential requirements of the different MARSEC Levels.

§ 106.220 Security training for all other OCS facility personnel.

All other OCS facility personnel, including contractors, whether part-time, full-time, temporary, or permanent, must have knowledge, through training or equivalent job experience, of the following:

(a) Relevant provisions of the Facility Security Plan (FSP);

(b) The meaning and the consequential requirements of the different MARSEC Levels including emergency procedures and contingency plans;

(c) Recognition and detection of dangerous substances and devices;

(d) Recognition of characteristics and behavioral patterns of persons who are likely to threaten security; and

(e) Recognition of techniques used to circumvent security measures.

§ 106.225 Drill and exercise requirements.

(a) *General.* Drills and exercises must test the proficiency of OCS facility

personnel in assigned security duties at all MARSEC Levels and the effective implementation of the Facility Security Plan (FSP). They must enable the Facility Security Officer (FSO) to identify any related security deficiencies that need to be addressed.

(b) *Drills.* (1) From the date of the FSP approval, the FSO must ensure that at least one security drill is conducted every 3 months. Security drills may be held in conjunction with non-security drills, where appropriate.

(2) Drills must test individual elements of the FSP, including response to security threats and incidents. Drills should take into account the types of operations of the OCS facility, OCS facility personnel changes, the types of vessels calling at the OCS facility, and other relevant circumstances. Examples of drills include unauthorized entry to a restricted area, response to alarms, and notification of appropriate authorities.

(3) If a vessel is conducting operations with the OCS facility on the date the OCS facility has planned to conduct any drills, the OCS facility may include, but cannot require, the vessel or vessel personnel to participate in the OCS facility's scheduled drill.

(c) *Exercises.* (1) From the date of the FSP approval, exercises must be conducted at least once each calendar year, with no more than 18 months between exercises.

(2) Exercises may be:

(i) Full scale or live;

(ii) Tabletop simulation;

(iii) Combined with other appropriate exercises held; or

(iv) A combination of the elements in paragraphs (c)(2)(i) through (iii) of this section.

(3) Exercises may be facility-specific or part of a cooperative exercise program.

(4) Each exercise must test communication and notification procedures, and elements of coordination, resource availability, and response.

(5) Exercises are a full test of the Facility Security Plan and must include substantial and active participation of relevant company and OCS facility personnel, and may include governmental authorities and vessels depending on the scope and the nature of the exercise.

§ 106.230 OCS facility recordkeeping requirements.

(a) Unless otherwise specified in this section, the Facility Security Officer (FSO) must keep records of the activities as set out in paragraph (b) of this section for at least 2 years and make them available to the Coast Guard upon request.
