

If you think that your business, organization, or governmental jurisdiction qualifies as a small entity and that this rule would have a significant economic impact on it, please submit a comment (*see ADDRESSES*) explaining why you think it qualifies and how and to what degree this rule would economically affect it.

Collection of Information

This rule would call for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

Federalism

The Coast Guard analyzed this rule under Executive Order 13132, Federalism, and has determined that this rule does not have implications for federalism under that Order.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) governs the issuance of Federal regulations that require unfunded mandates. An unfunded mandate is a regulation that requires a State, local, or tribal government or the private sector to incur direct costs without the Federal government having first provided the funds to pay those costs. This rule would not impose an unfunded mandate.

Taking of Private Property

This rule would not affect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

The Coast Guard analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Security Risks. This rule is not an economically significant rule and does not pose an environmental risk to health or risk to security that may disproportionately affect children.

Environment

The Coast Guard considered the environmental impact of this rule and concluded that, under figure 2–1, (34)(g), of Commandant Instruction M16475.ID, this rule is categorically

excluded from further environmental documentation. A “Categorical Exclusion Determination” is available in the docket where indicated under **ADDRESSES**.

RIN 1625–AA00

Safety Zone; Boston 4th of July Fireworks—Charles River, Boston, MA

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone for the Boston 4th of July Fireworks on July 4, 2003 in Boston, MA temporarily closing all waters on the Charles River within a four hundred (400) yard radius of the fireworks launch site. The safety zone is necessary to protect the life and property of the maritime public from the hazards posed by a fireworks display. The safety zone will prohibit entry into or movement within this portion of the Charles River during its effective period. **DATES:** This rule is effective from 7 p.m. July 4, 2003 until 11:30 p.m. on July 4, 2003.

ADDRESSES: Documents as indicated in this preamble are available for inspection or copying at Marine Safety Office Boston, 455 Commercial Street, Boston, MA between the hours of 8 a.m. and 3 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: Chief Petty Officer Daniel Dugery, Marine Safety Office Boston, Waterways Management Division, at (617) 223–3000.

SUPPLEMENTARY INFORMATION:

Regulatory History

Pursuant to 5 U.S.C. 553, a notice of proposed rulemaking (NPRM) was not published for this regulation. Good cause exists for not publishing a NPRM and for making this regulation effective in less than 30 days after **Federal Register** publication. Information about this event was not provided to the Coast Guard until May 20, 2003, making it impossible to draft or publish an NPRM or a final rule 30 days in advance of its effective date. Any delay encountered in this regulation's effective date would be contrary to public interest since immediate action is needed to prevent traffic from transiting and provide for the safety of life on navigable waters of the portion of the Charles River, Boston, Massachusetts, affected by the fireworks display. The zone should have minimal negative impact on vessel use of the
