

valid and is treated as if it had not been made for that calendar year.

(2) *10 percent basis requirement.* A carryover allocation may only be made with respect to a qualified building. A qualified building is any building which is part of a project if, by the date specified under paragraph (a)(2)(i) or (ii) of this section, a taxpayer's basis in the project is more than 10 percent of the taxpayer's reasonably expected basis in the project as of the close of the second calendar year following the calendar year the allocation is made. For purposes of meeting the 10 percent basis requirement, the determination of whether a building is part of a single-building project or multi-building project is based on whether the carryover allocation is made under section 42(h)(1)(E) (building-based allocation) or section 42(h)(1)(F) (project-based allocation).

(i) *Allocation made before July 1.* If a carryover allocation is made before July 1 of a calendar year, a taxpayer must meet the 10 percent basis requirement by the close of that calendar year. If a taxpayer does not meet the 10 percent basis requirement by the close of the calendar year, the carryover allocation is not valid and is treated as if it had not been made.

(ii) *Allocation made after June 30.* If a carryover allocation is made after June 30 of a calendar year, a taxpayer must meet the 10 percent basis requirement by the close of the date that is 6 months after the date the allocation was made. If a taxpayer does not meet the 10 percent basis requirement by the close of the required date, the carryover allocation must be returned to the Agency. Unlike a carryover allocation made before July 1, if a taxpayer does not meet the 10 percent basis requirement by the close of the required date, the carryover allocation is treated as a valid allocation for the calendar year of allocation, but is included in the "returned credit component" for purposes of determining the State housing credit ceiling under section 42(h)(3)(C) for the calendar year following the calendar year of the allocation. See § 1.42–14(d)(1).

(iii) \* \* \*

*Example 2.* (i) *Facts.* D, an accrual-method taxpayer, received a carryover allocation from Agency, the state housing credit agency of State X, on September 12, 2003. As of that date, D has not begun construction of the low-income housing building D plans to build and D does not have basis in the land on which D plans to build the building. From September 12, 2003, to the close of March 12, 2004, D incurs some costs related to the

planned building, including architects' fees. As of the close of March 12, 2004, these costs do not exceed 10 percent of D's reasonably expected basis in the single-building project as of the close of 2005.

(ii) *Determination of whether building is qualified.* Because D's carryover-allocation basis as of the close of March 12, 2004, is not more than 10 percent of D's reasonably expected basis in the single-building project, the building is not a qualified building for purposes of section 42(h)(1)(E)(ii) and paragraph (a) of this section. Accordingly, the carryover allocation to D must be returned to the Agency. The allocation is valid for purposes of determining the amount of credit allocated by Agency from State X's 2003 State housing credit ceiling, but is included in the returned credit component of State X's 2004 housing credit ceiling.

(c) *Verification of basis by Agency—*  
(1) *Verification requirement.* An Agency that makes a carryover allocation to a taxpayer must verify that the taxpayer has met the 10 percent basis requirement of paragraph (a)(2) of this section.

(2) \* \* \*

(3) *Time of verification.—*(i) *Allocations made before July 1.* For a carryover allocation made before July 1, an Agency may require that the basis certification be submitted to or received by the Agency prior to the close of the calendar year of allocation or within a reasonable time following the close of the calendar year of allocation. The Agency will need to verify basis as provided in paragraph (c)(2) of this section to accurately complete the Form 8610, "Annual Low-Income Housing Credit Agencies Report," and the Schedule A (Form 8610), "Carryover Allocation of Low-Income Housing Credit," for the calendar year of the allocation. If the basis certification is not timely made, or supporting documentation is lacking, inadequate, or does not actually support the certification, the Agency should notify the taxpayer and try to get adequate documentation. If the Agency cannot verify before the Form 8610 is filed that the taxpayer has satisfied the 10 percent basis requirement for a carryover allocation made before July 1, the allocation is not valid and is treated as if it had not been made and the carryover allocation should not be reported on the Schedule A (Form 8610).

(ii) *Allocations made after June 30.* An Agency may require that the basis certification be submitted to or received by the Agency prior to the close of the date that is 6 months after the date the allocation was made or within a reasonable period of time following the close of the date that is 6 months after the date the allocation was made. The

Agency will need to verify basis as provided in paragraph (c)(2) of this section. If the basis certification is not timely made, or supporting documentation is lacking, inadequate, or does not actually support the certification, the Agency should notify the taxpayer and try to get adequate documentation. If the Agency cannot verify that the taxpayer has satisfied the 10 percent basis requirement for a carryover allocation made after June 30, the allocation must be returned to the Agency. The carryover allocation is a valid allocation for the calendar year of the allocation, but is included in the returned credit component of the State housing credit ceiling for the calendar year following the calendar year of the allocation.

(2) \* \* \*

(viii) For carryover allocations made before July 1, the taxpayer's basis in the project (land and depreciable basis) as of the close of the calendar year of the allocation and the percentage that basis bears to the reasonably expected basis in the project (land and depreciable basis) as of the close of the second calendar year following the calendar year of allocation;

\* \* \* \* \*

(4) *Recordkeeping requirements.—*(i) *Taxpayer.* When an allocation is made pursuant to section 42(h)(1)(E) or (F), the taxpayer must retain a copy of the allocation document. The Form 8609 that reflects the allocation must be filed for the first taxable year that the credit is claimed and for each taxable year thereafter throughout the compliance period, whether or not a credit is claimed for the taxable year.
