**SUPPLEMENTARY INFORMATION**

**Background**

On August 6, 2002, the Department of Commerce ("the Department") published in the **Federal Register** the notice of "Opportunity to Request Administrative Review" of the antidumping duty order on certain large diameter carbon and alloy seamless standard, line, and pressure pipe ("SLP") from Mexico, for the period August 1, 2001 through July 31, 2002 (67 FR 50856). On August 30, 2002, we received a request from the petitioner<sup>1</sup> to review TAMSA. On September 25, 2002, we published the notice of initiation of this antidumping duty administrative review with respect to TAMSA. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews, Requests for Revocation in Part and Deferral of Administrative Reviews*, 67 FR 60210 (September 25, 2002). On October 25, 2002, we received a request from the petitioner to determine whether antidumping duties have been absorbed during the period of review by respondent TAMSA. TAMSA submitted a November 1, 2002 letter certifying that neither TAMSA, nor its U.S. affiliate, Siderca Corporation, directly or indirectly, exported or sold for

consumption in the United States any subject merchandise during the period of review ("POR"). On April 30, 2003, the Department issued a memorandum to the file concerning its intent to rescind the administrative review and invited parties to comment. *See Memorandum from Eric Greynolds through Melissa Skinner, "Second Administrative Review of the Antidumping Duty Order on Certain Large Diameter Carbon and Alloy Seamless Standard, Line and Pressure Pipe from Mexico: Intent to Rescind Administrative Review,"* (April 30, 2003), located in the case file in the Central Records Unit ("CRU"), main Commerce Building, room B-099. Although we invited parties to comment on our memorandum which outlined our intent to rescind this administrative review, no interested party submitted comments, a case brief, or requested a hearing. In summary, there have been no changes since the Department issued its intent to rescind this administrative review.
