[Prohibited Transaction Exemption 2003-23; Exemption Application No. D-11169]

### **Exemption**

The restrictions of sections 406(a)(1)(A) through (D) of the Act and the sanctions resulting from application of section 4975 of the Code, by reason of section 4975(c)(1)(A) through (D) of the Code, shall not apply to any purchase or sale of securities, in the context of a portfolio liquidation or restructuring, between (i) Goldman, Sachs & Co. (Goldman) and its current and future affiliates, including certain foreign broker-dealers or banks (the Foreign Affiliates, as defined in Section III below), (collectively, the Applicant) and (ii) employee benefit plans (the Plans) with respect to which the Applicant is a party in interest, provided that the conditions set forth in Section II are satisfied.

### *Section II—Conditions*

A. The Applicant customarily purchases and sells securities for its own account in the ordinary course of its business as a broker-dealer or bank;

B. The Applicant (including an affiliate) does not have discretionary authority or control with respect to the investment of the Plan assets involved in the transaction, nor renders investment advice (within the meaning of 29 CFR 2510.3-21(c)) with respect to those assets.

Notwithstanding the foregoing, the Applicant may be a directed trustee (as defined in Section III below) with respect to the Plan assets involved in the transaction.

In addition, although the Applicant does not have discretionary authority or control over such Plan assets at the time of the transaction and has not used its discretion to appoint the transition broker-dealer, it may act as a fiduciary with respect to the Plan assets involved in the transaction, solely as: (i) The investment manager of such assets to be managed as an Index or Model-Driven Fund; or (ii) the investment manager of such assets who supplies a list of securities or other investments to be purchased, which list is prepared without regard to the identity of the broker-dealer and without reference to the portfolio being liquidated or restructured, and is substantially the same list that would be provided to other similarly situated investors with substantially similar investment guidelines and objectives, or is substantially similar to the investments in existing portfolios managed in the same style.

Lastly, a transaction will not fail to meet the requirements of this section if the Applicant is being terminated as a manager of the Plan assets involved in the transaction, its investment discretion is terminated prior to the commencement of the portfolio liquidation or restructuring, and the Applicant has not used its discretion to appoint the transition broker-dealer;

C. The transaction is a purchase or sale, for no consideration other than cash;

D. The terms of any transaction are at least as favorable to the Plan as those obtainable in a comparable arm's length transaction with an unrelated party;

E. An Independent Fiduciary has given prior approval that the transaction may be effectuated as a principal transaction and at a price that—

(1) For an equity security, is specified in advance by the Independent Fiduciary and is a stated dollar amount, or is based on an objective measure (as of a specified date or dates), including, but not limited to, the closing price, the opening price, or the volume-weighted average price; or

(2) For a fixed income security, is a stated dollar amount, or is within the bid and asked spread, as of the close of the relevant market (or another predetermined time on a specified date or dates), as reported by an independent third party reporting service or a publicly available electronic exchange or trading system;

F. In the case where the price for any transaction is not based on an objective measure, the Independent Fiduciary has given prior approval for the transaction, specifying whether the transaction is to be agency or principal, either on a security-by-security basis, or based on the whole portfolio or an identifiable part of the portfolio (such as all debt securities, all equity securities, all domestic securities, or the like);

G. All purchases and sales executed on a principal basis are effected within two days following the Independent Fiduciary's direction to purchase or sell a given security—except that, with the approval of the Independent Fiduciary, the Applicant may extend such initial period for a time not exceeding two additional days, on the same terms;

H. The Independent Fiduciary is furnished with confirmations including the relevant information required under Rule 10b-10 of the Securities Exchange Act of 1934 (the 1934 Act), to the extent required under Rule 10b-10, as well as a report, within five business days after the transaction is completed, containing the following information with respect to each security:

(1) The identity of the security;
