DEPARTMENT OF HEALTH AND HUMAN SERVICES

Centers for Medicare and Medicaid Services

[Document Identifier: CMS-10093]

Emergency Clearance: Public Information Collection Requirements Submitted to the Office of Management and Budget (OMB)

AGENCY: Centers for Medicare and Medicaid Services.

In compliance with the requirement of section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, the Centers for Medicare and Medicaid Services (CMS) (formerly known as the Health Care Financing Administration (HCFA)), Department of Health and Human Services, is publishing the following summary of proposed collections for public comment. Interested persons are invited to send comments regarding this burden estimate or any other aspect of this collection of information, including any of the following subjects: (1) The necessity and utility of the proposed information collection for the proper performance of the agency's functions; (2) the accuracy of the estimated burden; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) the use of automated collection techniques or other forms of information technology to minimize the information collection burden.

We are, however, requesting an emergency review of the information collection referenced below. In compliance with the requirement of section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, we have submitted to the Office of Management and Budget (OMB) the following requirements for emergency review. We are requesting an emergency review

because the collection of this information is needed before the expiration of the normal time limits under OMB's regulations at 5 CFR part 1320. This is necessary to ensure compliance with the funding resolution for the Older Americans Act. We cannot reasonably comply with the normal clearance procedures because of an unanticipated event and potential public harm.

CMS seeks emergency approval because of the short timeframe that is available to issue the solicitation, receive any applications, and prepare and release award packages by October 1, 2003.

We need to seek emergency approval because we need as close to three months as possible between the time that applicants must submit their proposals and the time of award. Overall, we are expecting a sizeable number of grant applications. We will need the three months to sort, review and score the awards and prepare award packages.

CMS is requesting OMB review and approval of this collection by July 23, 2003, with a 180-day approval period. Written comments and recommendations will be accepted from the public if received by the individuals designated below by July 16, 2003. During this 180-day period, we will publish a separate **Federal Register** notice announcing the initiation of an extensive 60-day agency review and public comment period on these requirements. We will submit the requirements for OMB review and an extension of this emergency approval.

Type of Information Request: New collection; *Type of Information Collection:* CMS/AoA Aging and Disability Resource Center Grant Program; *CMS Form Number:* CMS-10093 (OMB# 0938-NEW); *Use:* Information sought by CMSO/DEHPG is needed to award competitive grants to States to develop Aging and Disability Resource Centers; *Frequency:* On occasion; *Affected Public:* State, local, or tribal government, Not-for-profit institutions, Business or other for-profit; *Number of Respondents:* 50; *Total Annual Responses:* 50; *Total Annual Burden Hours:* 160.

We have submitted a copy of this notice to OMB for its review of these information collections. A notice will be published in the **Federal Register** when approval is obtained.

To obtain copies of the supporting statement and any related forms for the proposed paperwork collections referenced above, access CMS' Web site address at <http://cms.hhs.gov/regulations/pract/default.asp> or E-mail
