#### SUPPLEMENTARY INFORMATION:

##### I. Background

Under section 212(a)(5)(A) of the Immigration and Nationality Act (INA)(8 U.S.C. 1182(a)(5)(A)), certain aliens may not obtain a visa for entrance into the United States in order to engage in permanent employment unless the Secretary of Labor has first certified to the Secretary of State and to the Attorney General that: (1) There are not sufficient U.S. workers who are able, willing, qualified and available at the time of application for a visa and admission into the U.S. and at the place where the alien is to perform the work; and (2) the employment of the alien will not adversely affect the wages and working conditions of U.S. workers similarly employed. Form ETA 750, parts A and B, is the application form submitted by employers that forms the basis for a determination as to whether the Secretary shall provide such a certification. Form ETA 750, part A, is also utilized to collect information that permits the Department to meet Federal responsibilities for administering two nonimmigrant programs: the H-2A and H-2B temporary labor certification programs. The H-2A temporary agricultural program establishes a means for agricultural employers who anticipate a shortage of domestic workers to bring nonimmigrant aliens to the U.S. to perform agricultural labor or services of a temporary or seasonal nature. The H-2B program establishes a means for employers to bring nonimmigrant aliens to the U.S. to perform nonagricultural work of a temporary or seasonal nature.
