SUPPLEMENTARY INFORMATION: Section 757 of Public Law (Pub. L.) 106-81, The Wendell H. The FAA established this team and has been working for over two years to improve and simplify the process of seat certification in accordance with the Act.

One of the actions the team recommended is the hosting of an annual conference to provide information to the public regarding accomplishments to date and to promote standard application of requirements and certification processes. The first annual conference was held March 7, 2002.

Participation at the Conference

Although the primary purposes of the conference is to convey information regarding the simplification of seat certification processes, presentation by the public will be accommodated at the conference to the extent that time allows. If you are interested in presenting material or oral statements, you should submit your request, along with any presentation materials, to the FAA prior to August 15, 2003. Submit your request to the person listed under the heading **FOR FURTHER INFORMATION CONTACT**, along with an estimate of the time needed for your presentation.
