

suspended, debarred, or disqualified from participation in a program or activity by another Federal agency. The failure of any surety to honor its obligations in accordance with 31 U.S.C. § 9305 will be reported to the Treasury. The Treasury will forward notification to all interested agencies that a surety's certificate of authority to do business with the Government has been revoked by the Treasury.

(c) The suspension or revocation of licenses, permits, or privileges also may extend to GSA programs or activities administered by the states on behalf of GSA, to the extent they affect GSA's ability to collect money or funds owed by debtors.

(d) In bankruptcy cases, before advising the debtor of GSA's intention to suspend or revoke licenses, permits, or privileges, the agency will ascertain the impact of the Bankruptcy Code, particularly 11 U.S.C. 362 and 525, which may restrict such action.

§ 105-55.014 Liquidation of collateral.

(a) GSA will liquidate security or collateral through the exercise of a power of sale in the security instrument or a non-judicial foreclosure, and apply the proceeds to the applicable debt(s), if the debtor fails to pay the debt(s) within a reasonable time after demand and if such action is in the best interest of the United States. Collection from other sources, including liquidation of security or collateral, is not a prerequisite to requiring payment by a surety, insurer, or guarantor unless such action is expressly required by statute or contract.

(b) When GSA learns a bankruptcy petition has been filed with respect to a debtor, the agency will ascertain the impact of the Bankruptcy Code, including, but not limited to, 11 U.S.C. 362, to determine the applicability of the automatic stay and the procedures for obtaining relief from such stay prior to proceeding under paragraph (a) of this section.

§ 105-55.015 Collection in installments.

(a) Whenever feasible, GSA will collect the total amount of a debt in one lump sum. If a debtor is financially unable to pay a debt in one lump sum, GSA may accept payment in regular installments. GSA may obtain financial statements from debtors who represent they are unable to pay in one lump sum and independently verify such representations whenever possible (see § 105-55.020(g) of this part). When GSA agrees to accept payments in regular installments, a legally enforceable written agreement from the debtor will be obtained specifying all of the terms

of the arrangement and containing a provision accelerating the debt in the event of default. If the debtor's financial statement discloses the ownership of assets which are free and clear of liens or security interests, or assets in which the debtor owns an equity, the debtor may be asked to secure the payment of an installment note by executing a Security Agreement and Financing Statement transferring to the United States a security interest in the asset until the debt is paid.

(b) The size and frequency of installment payments will bear a reasonable relation to the size of the debt and the debtor's ability to pay. The installment payments will be sufficient in size and frequency to liquidate the debt in three years or less, unless circumstances warrant a longer period.

(c) Security for deferred payments may be obtained in appropriate cases. GSA may accept installment payments notwithstanding the refusal of the debtor to execute a written agreement or to give security, at the agency's option.

§ 105-55.016 Interest, penalties, and administrative costs.

(a) Except as provided in paragraphs (g), (h), and (i) of this section, GSA will charge interest, penalties, and administrative costs on debts owed to the United States pursuant to 31 U.S.C. 3717. GSA will send by U.S. mail, overnight delivery service, or hand-delivery a written notice to the debtor, at the debtor's most recent address available to the agency, explaining the agency's requirements concerning these charges, except where these requirements are included in a contractual or repayment agreement. These charges will continue to accrue until the debt is paid in full or otherwise resolved through compromise, termination, or waiver of the charges.

(b) GSA will charge interest on debts owed the United States as follows:

(1) Interest will accrue from the date of delinquency, or as otherwise provided by law.

(2) Unless otherwise established in a contract, repayment agreement, or by statute, the rate of interest charged will be the rate established annually by the Secretary in accordance with 31 U.S.C. 3717(a)(1). Pursuant to 31 U.S.C. 3717, GSA may charge a higher rate of interest if it is reasonably determined that a higher rate is necessary to protect the rights of the United States. GSA will document the reason(s) for a determination that the higher rate is necessary.

(3) The rate of interest, as initially charged, will remain fixed for the

duration of the indebtedness. When a debtor defaults on a repayment agreement and seeks to enter into a new agreement, GSA may require payment of interest at a new rate that reflects the Current Value of Funds Rate (CVFR) at the time the new agreement is executed. Interest will not be compounded; that is, interest will not be charged on interest, penalties, or administrative costs required by this section. If a debtor defaults on a previous repayment agreement, charges that accrued but were not collected under the defaulted agreement will be added to the principal under the new repayment agreement.

(c) GSA will assess administrative costs incurred for processing and handling delinquent debts. The calculation of administrative costs will be based on actual costs incurred or upon estimated costs as determined by the agency.

(d) Unless otherwise established in a contract, repayment agreement, or by statute, GSA will charge a penalty, pursuant to 31 U.S.C. 3717(e)(2), not to exceed six percent a year on the amount due on a debt that is delinquent for more than 90 days. This charge will accrue from the date of delinquency.

(e) GSA may increase an "administrative debt" by the cost of living adjustment in lieu of charging interest and penalties under this section. "Administrative debt" includes, but is not limited to, a debt based on fines, penalties, and overpayments, but does not include a debt based on the extension of Government credit, such as those arising from loans and loan guaranties. The cost of living adjustment is the percentage by which the Consumer Price Index for the month of June of the calendar year preceding the adjustment exceeds the Consumer Price Index for the month of June of the calendar year in which the debt was determined or last adjusted. Increases to administrative debts will be computed annually. GSA will use this alternative only when there is a legitimate reason to do so, such as when calculating interest and penalties on a debt would be extremely difficult because of the age of the debt.

(f) When a debt is paid in partial or installment payments, amounts received by GSA will be applied first to outstanding penalties, second to administrative charges, third to interest, and last to principal.

(g) GSA will waive the collection of interest, penalty and administrative charges imposed pursuant to this section on the portion of the debt that is paid within 30 days after the date on which interest began to accrue. GSA may extend this 30-day period on a
