

Susceptibility From Early-Life Exposure to Carcinogens". This document provides a possible approach for assessing cancer susceptibility from early-life exposure to carcinogens.

The purpose of this meeting is to allow contemporaneous public access to the SGACS review panel's deliberations concerning the draft report. The meeting is open to the public; however, phone lines are limited and available on a first come basis. The meeting will be held at the times and date specified above. A copy of the draft agenda for the meeting will be posted on the SAB Web site (<http://www.epa.gov/sab>) (under the AGENDAS subheading) approximately 7 days before the meeting.

For more information regarding the background on this advisory activity, please refer to the **Federal Register**, 68 FR 10240, published on March 4, 2003 or the SAB Web site at <http://www.epa.gov/sab/panels/sgacsrp.html>.

The panel was charged with responding to questions concerning the document mentioned above. Information regarding these questions and the review materials are available in **Federal Register** Notice, 68 FR 17803 published on April 11, 2003.

Providing Oral or Written Comments at SAB Meetings

It is the policy of the EPA Science Advisory Board (SAB) to accept written public comments of any length, and to accommodate oral public comments whenever possible. The EPA SAB expects that public statements presented at its meetings will not be repetitive of previously submitted oral or written statements. *Oral Comments:* In general, each individual or group requesting an oral presentation at a face-to-face meeting will be limited to a total time of ten minutes (unless otherwise indicated) and no more than one hour total for all speakers. For teleconference meetings, opportunities for oral comment will usually be limited to no more than three minutes per speaker and no more than fifteen minutes total for all speakers. Interested parties should contact the DFO in writing at least one week prior to the meeting in order to be placed on the public speaker list for the meeting. Speakers should provide their comments and presentation slides for distribution to the reviewers and public at the meeting. *Written Comments:* Although the SAB accepts written comments until the date of the meeting (unless otherwise stated), written comments should be received in the SAB Staff Office at least one week prior to the meeting date so that the comments may be made available to the review panel for their consideration.

Comments should be supplied to the DFO at the address/contact information noted in the opening of this notice in the following formats: one hard copy with original signature, and one electronic copy via e-mail (acceptable file format: Adobe Acrobat, WordPerfect, Word, or Rich Text files (in IBM-PC/Windows 95/98 format). Those providing written comments and who attend the meeting are also asked to bring 35 copies of their comments for public distribution.

Meeting Access

Individuals requiring special accommodation at this meeting, should contact Dr. Shallal, at least five business days prior to the meeting date so that appropriate arrangements can be made.

Dated: July 8, 2003.

A. Robert Flaak,

Acting Deputy Director of Management, EPA Science Advisory Board.

Draft Instructions for Reporting for the 2006 Partial Updating of the TSCA Chemical Inventory Database; Request for Comment; Notice of Public Meeting

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: EPA is convening a focus group to receive comments from persons reporting data required by the Inventory Update Rule on the draft instructions for reporting in 2006. The instructions have been revised in response to amendments to 40 CFR part 710 promulgated on January 7, 2003, which substantially modify the information which must be reported for the partial updating of the TSCA Chemical Inventory Database beginning in 2006. The meeting of the focus group is open to the public.

DATES: The focus group meeting will be held on Friday, August 1, 2003, from 9 a.m. to approximately 2 p.m.

ADDRESSES: The meeting will be held at the U.S. Environmental Protection Agency, EPA East Bldg., Rm. 4225, 1201 Constitution Avenue, NW., Washington, DC.

Persons planning to attend the meeting of the focus group are encouraged to register with the technical contact person identified under **FOR FURTHER INFORMATION CONTACT** to facilitate entrance into the

EPA building and ensure that all interested persons can be accommodated. Prior registration is not required to attend the focus group meeting.

SUPPLEMENTARY INFORMATION:

I. General Information

A. Does this Action Apply to Me?

You may be potentially affected by this action if you manufacture chemical substances currently subject to reporting under the Inventory Update Rule (IUR) as amended on January 7, 2003, and codified at 40 CFR part 710. Persons who process chemical substances but who do not manufacture or import chemical substances are not required to comply with the requirements of 40 CFR part 710. Potentially affected entities may include, but are not limited to:

Chemical manufacturers and importers currently subject to IUR reporting, including manufacturers and importers of inorganic chemical substances (NAICS codes 325, 32411).

This listing is not intended to be exhaustive, but rather provides a guide for readers regarding entities likely to be affected by this action. Other types of entities not listed in this unit could also be affected. The North American Industrial Classification System (NAICS) codes have been provided to assist you and others in determining whether this action might apply to certain entities. To determine whether you or your business may be affected by this action, you should carefully examine the applicability provisions at 40 CFR 710.48. If you have any questions regarding the applicability of this action to a particular entity, consult the technical contact person listed under **FOR FURTHER INFORMATION CONTACT**.
