

133, Audits of States, Local Governments, and Non-profit Organizations. 29 U.S.C. 794 (section 504, Rehabilitation Act of 1973) and 7 CFR Part 15b (USDA implementation of statute)—prohibiting discrimination based upon physical or mental handicap in Federally assisted programs. 35 U.S.C. 200 *et seq.*—Bayh-Dole Act, controlling allocation of rights to inventions made by employees of small business firms and domestic nonprofit organizations, including universities, in Federally assisted programs (implementing regulations are contained in 37 CFR Part 401).

§ 2903.22 Confidential aspects of applications and awards.

When an application results in an award, it becomes a part of the record of USDA transactions, available to the public upon specific request. Information that the Secretary determines to be of a confidential, privileged, or proprietary nature will be held in confidence to the extent permitted by law. Therefore, any information that the applicant wishes to have considered as confidential, privileged, or proprietary should be clearly marked within the application. The original copy of an application that does not result in an award will be retained by the Agency for a period of one year. Other copies will be destroyed. Such an application will be released only with the consent of the applicant or to the extent required by law. An application may be withdrawn at any time prior to the final action thereon.

§ 2903.23 Definitions.

For the purpose of this program, the following definitions are applicable:

Authorized departmental officer or ADO means the Secretary or any employee of the Department who has the authority to issue or modify grant instruments on behalf of the Secretary.

Authorized organizational representative or AOR means the president or chief executive officer of the applicant organization or the official, designated by the president or chief executive officer of the applicant organization, who has the authority to commit the resources of the organization.

Biodiesel means a monoalkyl ester that meets the requirements of an appropriate American Society for Testing and Materials Standard.

Budget period means the interval of time (usually 12 months) into which the project period is divided for budgetary and reporting purposes.

Department or USDA means the United States Department of Agriculture.

Education activity means an act or process that imparts knowledge or skills through formal or informal training and outreach.

Grant means the award by the Secretary of funds to an eligible recipient for the purpose of conducting the identified project.

Grantee means the organization designated in the award document as the responsible legal entity to which a grant is awarded.

Institution of higher education, as defined in section 101 of the Higher Education Act of 1965 (20 U.S.C. 1001), means an educational institution in any State that:

(1) Admits as regular students only persons having a certificate of graduation from a school providing secondary education, or the recognized equivalent of such a certificate;

(2) Is legally authorized within such State to provide a program of education beyond secondary education;

(3) Provides an educational program for which the institution awards a bachelor's degree or provides not less than a two-year program that is acceptable for full credit toward such a degree;

(4) Is a public or other nonprofit institution; and

(5) Is accredited by a nationally recognized accrediting agency or association, or if not so accredited, is an institution that has been granted preaccreditation status by such an agency or association that has been recognized by the Secretary of Education for the granting of preaccreditation status, and the Secretary of Education has determined that there is satisfactory assurance that the institution will meet the accreditation standards of such an agency or association within a reasonable time.

OEPNU means the Office of Energy Policy and New Uses.

Peer review is an evaluation of a proposed project performed by experts with the scientific knowledge and technical skills to conduct the proposed work whereby the technical quality and relevance to the program are assessed.

Project director or PD means the single individual designated by the grantee in the grant application and approved by the Secretary who is responsible for the direction and management of the project, also known as a principal investigator for research activities.

Prior approval means written approval evidencing prior consent by an

authorized departmental officer (as defined in this section).

Program means the Biodiesel Fuel Education Program as set forth in this part.

Project means the particular activity within the scope of the program supported by a grant award.

Project period means the period, as stated in the award document and modifications thereto, if any, during which Federal sponsorship begins and ends.

Secretary means the Secretary of Agriculture and any other officer or employee of the Department to whom the authority involved may be delegated.

Roger Conway,

Director, Office of Energy Policy and New Uses.

BILLING CODE 3410-22-P

NUCLEAR REGULATORY COMMISSION

10 CFR Part 34

[Docket No. PRM-34-5]

Amersham Corporation (Now Known as AEA Technology QSA, Inc.); Denial of Petition for Rulemaking

AGENCY: Nuclear Regulatory Commission.

ACTION: Denial of petition for rulemaking.

SUMMARY: The Nuclear Regulatory Commission (NRC) is denying a petition for rulemaking (PRM-34-5) submitted by Amersham Corporation (now known as AEA Technology QSA, Inc.). The petitioner requested that the NRC amend its regulations that specify performance requirements for industrial radiography equipment by removing the reference to associated equipment, clarifying provisions in the current regulations that the petitioner believes are not clearly defined, and by requiring routine inspection and maintenance of associated equipment.

The NRC reviewed the petitioner's request and concluded that rulemaking is not necessary to achieve the intent of the petitioner's request to remove associated equipment from the sealed source and device (SSD) evaluation and registration process for manufacturers of industrial radiography equipment in 10 CFR 32.210, "Registration of product information." The NRC also explored rulemaking to amend its regulations for self-certification of associated equipment to authorize manufacturers
