

suggestions on our preliminary list of issues and alternatives to be addressed in the EA. The SD has been distributed to parties on the Service List for this proceeding and is available from our Public Reference Room at (202)502-8371. It can also be accessed online at <http://www.ferc.gov> under the "FERRIS" link.

Given the fact that no comments have been filed related to the relicensing and that Barton Village, Inc. has not proposed any new construction, we do not anticipate at this time that there is adequate justification: (1) to arrange for Commission staff and interested members of the public to visit the project site; or (2) to hold a public meeting near the project site.

Please review this document and, if you wish to provide written input, follow the instructions contained in section 2.2. Please direct any questions about the scoping process to Frank Winchell at (202) 502-6104.

Magalie R. Salas,
Secretary.
