

Use of Facts Otherwise Available

As discussed in detail in the *Preliminary Results*, we have determined to use facts otherwise available for Echjay, in reconstructing its constructed value to arrive at the correct margin; and, as noted in the *Preliminary Results*, we determine that, in accordance with sections 776(a) and (b) of the Act, the use of adverse facts available is appropriate for Snowdrop, whose producers did not respond to our requests for information. The Department has received comments from Echjay and Snowdrop, all of which are addressed in the "Issues and Decision Memorandum."

Analysis of Comments Received

The Department has received comments from Echjay and Snowdrop, all of which are addressed in the "Issues and Decision Memorandum" from Barbara E. Tillman, Acting Deputy Assistant Secretary, Import Administration, to Joseph Spetrini, Acting Assistant Secretary, Import Administration, dated July 8, 2003 ("Decision Memorandum"), which is hereby adopted by this notice. Attached to this notice as an Appendix is a list of the issues that Echjay and Snowdrop have raised and to which we have responded in the *Decision Memorandum*. Parties can find a complete discussion of all issues raised in this review and the corresponding recommendations in this public memorandum, which is on file in the Department's Central Records Unit, located at 14th Street and Constitution Avenue, NW, Room B-099. In addition, a complete version of the *Decision Memorandum* can be accessed directly on the Import Administration website at <http://ia.ita.doc.gov/> under the heading *Federal Register Notices*. The paper copy and electronic version of the *Decision Memorandum* are identical in content.

Changes Since the Preliminary Results

Based on our analysis of comments received and findings at verification, we have made certain changes in the margin calculations. These changes are noted in various sections of the *Decision Memorandum*, accessible in B-099 and on the Web at www.ia.ita.doc.gov/frn.

Final Results of Review

We determine that the following dumping margins exist for the period February 1, 2001 through January 31, 2002:

Manufacturer/Exporter	Margin (Percent)
Echjay Forgings/Pushpaman Exports	20.08
Snowdrop	210.00
Viraj	0

All other entries of the subject merchandise during the POR will be liquidated at the antidumping duty rate in place at the time of entry. The Department will issue appropriate assessment instructions directly to the U.S. Bureau of Customs and Border Protection within 15 days of publication of these final results of review.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided for by section 751(a)(1) of the Act: (1) for the companies named above, the cash deposit rates will be the rates for these firms shown above, except that, for exporters with de minimis rates (*i.e.*, less than 0.5 percent) no deposit will be required; (2) for previously-reviewed producers and exporters with separate rates, the cash deposit rate will be the company-specific rate established for the most recent period for which they were reviewed; and (3) for all other producers and exporters, the rate will be 162.14 percent, the "all others" rate established in the less than fair value investigation (59 FR 5994, February 9, 1994). These deposit requirements, when imposed, shall remain in effect until publication of the final results of the next administrative review.

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective orders ("APO") of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the

proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation, which is subject to sanction.

We are issuing and publishing this determination and notice in accordance with sections section 751(a)(1) and 777(i)(1) of the Act.

Dated: July 8, 2003.

Joseph A. Spetrini,

Acting Assistant Secretary for for Grant Aldonas, Under Secretary.
