

A. Leased Unit(s) for Housing

If you propose to lease units in more than one metropolitan or non-metropolitan area, fill in the appropriate number of tables for each area with a different FMR or actual rent.

- Please reproduce this Section as needed to accommodate projects using more than one FMR or actual rent.
- Enter the number of unit(s) by the bedroom size to be leased and the lower of the actual rent or the FMR as published in the **Federal Register** on September 30, 2002. (FMRs may be found using this Web site: <http://www.huduser.org/datasets/fmr.html>) The space to be leased may be scattered-site (e.g., one-bedroom apartments in five different apartment complexes) or

contained within a structure (e.g., a group home with six bedrooms).

- Multiply the number of units by the FMR or actual rent, whichever is lower, by the length of the grant (# of units × FMR or actual rent × months based on grant term) and enter the result in the total column.

- Please note that the FMR for a single room occupancy (SRO) unit is equal to 75% (0.75) of the 0-bedroom FMR. The FMRs for unit sizes larger than 4-bedrooms are calculated by adding 15% to the 4-bedroom FMR for each extra bedroom. For example, the FMR for a 5-bedroom unit is 1.15 times the 4-bedroom FMR, and the FMR for a 6-bedroom unit is 1.30 times the 4-bedroom FMR.

- If your project has been approved for exception rents, use those amounts when completing these charts and submit your approval letter with this document.

- Chart A should be filled out only if you will lease individual units or structures that are currently configured for housing and, therefore, an FMR or actual rent can be used. If you have negotiated an actual rent(s) that is lower than the FMR, please use that amount instead of the FMR. The actual rent may not exceed the FMR.

Chart A:

Name of metropolitan or non-metropolitan FMR area:

Address (indicate if scattered site):

Size of units	No. of units	FMR or actual rent	No. of months	Total
1. SRO	X			
2. 0 bdrm	X			
3. 1 bdrm	X			
4. 2 bdrm	X			
5. 3 bdrm	X			
6. 4 bdrm	X			
7. 5 bdrm	X			
8. 6 bdrm	X			
9. Other	X			
10. Totals				\$

B. Leased Structure(s) for Housing

If you will lease a structure or portion of a structure for housing, fill out Chart B below using a monthly leasing cost that is comparable to and no more than the rents being charged for similar space in the area. This applies to structures

already configured for housing and for those that will be converted. If your project has more than one structure, reproduce Chart B and fill it out starting with structure 2.

- Multiply the monthly leasing costs by the number of months requested for

funding and enter the result in the total column.

- Chart B should be filled out only if you will lease a structure or portion of a structure for which an FMR is not applicable.

Chart B:

Address:

Structure	Monthly leasing cost	Number of months	Total
	\$	=	\$

Section III. HUD Grant Application Requirements**Part A. Supportive Housing Program (SHP) Application****8. Homeless Veterans**

Are veterans among the homeless subpopulations your project will specifically target and intends to serve?

☐ Yes ☐ No

If your answer to the first question is yes, are veterans the primary target population of your proposed project?

☐ Yes ☐ No

Section III. HUD Grant Application Requirements**Part A. Supportive Housing Program (SHP) Application****9. Budget**

This section consists of two budgets—a project budget and a structure budget. Please refer to the budgets for specific instructions. The project budget is to be used for all projects.
