Second, the Commission extends the completion deadlines in the implementation schedule for wireline carriers by three months for Phase I and by 45 days for Phase II, clarifies the requirements imposed there under, concludes that LECs need only provide number portability within the 100 largest MSAs in switches for which another carrier has made a specific request for portability, and addresses issues raised by rural LECs and certain other parties. Finally, the Commission affirms and clarifies its implementation schedule for wireless carriers. A summary of the Order was published in the **Federal Register**. See 62 FR 18280, April 15, 1997. In that summary, the Commission stated that the modified rules would become effective May 15, 1997.
