

and inventory carrying costs, which were inadvertently omitted from the Department's margin calculation in the *Preliminary Results*. For further details, see CalCedar-Tianjin's Calculation Memorandum.

Rongxin

We adjusted the surrogate value for Chinese lindenwood slats to account for yield loss based on Rongxin's actual wood loss incurred during pencil production. See *Decision Memorandum* at Comment 3. We made minor corrections to the company's data based on findings at verification. See Rongxin's Calculation Memorandum.

Verification

As provided in section 782(i) of the Act, we verified the information submitted by the respondents for use in our final results. We used standard verification procedures including examination of relevant accounting and production records, and original source documents provided by the respondents.

Final Results of Review

We determine that the following weighted-average percentage margins exist for the period December 1, 2000 through November 30, 2001:

Exporter/Manufacturer	Margin (percent)
CalCedar-Tianjin	0.00
Rongxin	15.76
PRC Wide-Rate	114.90

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of this notice of final results of administrative review for all shipments of pencils from the PRC entered, or withdrawn from warehouse, for consumption on or after the date of publication, as provided by section 751(a)(1) of the Act: (1) the cash deposit rates for the reviewed companies will be the rates shown above; (2) for previously reviewed or investigated companies not listed above, that have separate rates, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) the cash deposit rate for all other PRC exporters will be 114.90 percent; and 4) the cash deposit rate for non-PRC exporters will be the rate applicable to the PRC supplier of that exporter.

These deposit requirements shall remain in effect until publication of the final results of the next administrative review.

Assessment

The Department will determine, and the U.S. Bureau of Customs and Border Protection (BCBP) will assess, antidumping duties on all entries of subject merchandise in accordance with these final results. For Rongxin, we have calculated exporter-specific duty assessment rates for subject merchandise based on the ratio of the total amount of antidumping duties calculated for the examined sales during the POR to the total quantity of sales examined during the POR. We calculated exporter-specific assessment rates because there was no information on the record which identified the importers of record. For CalCedar-Tianjin, we have calculated an importer-specific duty assessment rate based on the ratio of the total amount of antidumping duties calculated for the examined sale to the total reported entered value of the sale. The Department will issue appropriate assessment instructions directly to the BCBP within 15 days of publication of these final results of review.

Reimbursement of Duties

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Administrative Protective Orders

This notice also serves as the only reminder to parties subject to administrative protective orders (APOs) of their responsibility concerning the return or destruction of proprietary information disclosed under an APO in accordance with 19 CFR 351.305 of the Department's regulations. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

We are issuing and publishing this determination and notice in accordance with section 751(a)(1) and 771(i) of the Act.

Dated: July 14, 2003.

Jeffrey A. May,

Acting Assistant Secretary.
