

A. Financial Reports

The Grantee(s) shall submit financial reports on a quarterly basis. The first reporting period shall end on the last day of the fiscal quarter (December 31, March 31, June 30, or September 30) during which the grant was signed.

The Grantee(s) shall use Standard Form (SF) 269A, Financial Status Report, to report the status of the funds, at the project level, during the grant period. A final SF269A shall be submitted no later than 90 days following completion of the grant period.

If the Grantee(s) uses the U.S. Department of Health and Human Services Payment Management System (HHS PMS), they shall also send USDOL copies of the PSC 272 that it submits to HHS, on the same schedule. Otherwise, the Grantee(s) shall submit Standard Form (SF) 272, Federal Cash Transactions Report, on the same schedule as the SF269A.

Financial reports are due within 30 days of the end of the reporting period (*i.e.*, by April 30, July 30, October 30, and January 30).

B. Technical Reporting Requirements

After signing the agreement, the Grantee(s) shall submit progress reports to USDOL/ILAB at the end of each fiscal quarter. The first reporting period shall end on the last day of the fiscal quarter (December 31, March 31, June 30, or September 30) during which the Grant was signed. Between reporting dates, the Grantee(s) shall also immediately inform USDOL/ILAB of significant developments and/or problems affecting the organization's ability to accomplish work.

The Grantee(s) shall submit two types of progress reports according to the standardized format used by USDOL/ILAB:

1. Status Reports

Status Reports compare actual and planned activities during the reporting period, which consists of one quarter (January–March and July–September). Its purpose is to provide an update on the Workplan, problems/solutions, major achievements, or modifications. The Status Report should be brief and include an attached project Workplan indicating the status of Workplan activities: “completed,” “on schedule,” “delayed,” “cancelled.” The body of report should provide a summary explanation of any deviation from the Workplan and recommended actions.

Status Reports are due within 30 days of the end of the reporting period (*i.e.*, by April 30 and October 30).

2. Technical Progress Reports

Technical Progress Reports provide information on how the project is progressing in achieving its stated objectives. Technical Progress Reports will be based on the project's stated objectives, indicators, and Performance Monitoring Plan (PMP) and will provide both quantitative and qualitative information and a narrative assessment of performance for the preceding six-month period (January–June and July–December). Data measuring achievement of the project's indicators will be attached to the narrative, which will provide a composite overview of progress, trends, problems, new proposals, lessons learned, and expenditures. The body of the Technical Progress Report should be 2–3 pages in length, stressing major points related to strategy.

Technical Progress Reports are due within 30 days of the end of the reporting period (*i.e.*, by July 30 and January 30).

VI. Travel Procedures

The Grantee(s) shall submit a quarterly travel plan to the GOTR. The plan shall include the following information for all individuals traveling for the Grantee(s) to support activities covered by this grant:

- Name of the person(s) who will be traveling.
- Destination(s).
- Dates of travel.
- Purpose of travel—what they will be doing and why.

The Grantee(s) should submit the quarterly travel plan no later than four weeks prior to the start of each subsequent fiscal quarter (*e.g.*, By May 31, the GOTR should have travel plans for all Grantee travel occurring July 1 through September 30). For a trip beginning later than four weeks from the time the plan is submitted, dates should reflect a “best guess” (rather than simply listing “To Be Determined”). The dates should, however, be finalized no later than 4 weeks prior to departure.

All travelers should submit finalized travel details to the GOTR no later than 4 weeks prior to the desired departure date. If any major holiday occurs during those 4 weeks, travelers should submit finalized details earlier.

Individuals are not permitted to travel until USDOL/ILAB has received country clearance from the State Department (via e-mail or cable) or has received written authorization (including by e-mail) from the GOTR. This also applies to expatriates living abroad who go on personal or home leave: although they do not need clearance to enter the U.S., they do need clearance to re-enter the country in which they are stationed.

While travelers may cancel trips at any time, USDOL/ILAB will not permit any amendments to a clearance cable (*e.g.*, for changes in dates of travel, or changes in the identified traveler) less than four weeks prior to the desired date of departure, except in dire emergencies, as determined by the GOTR.
