To aid with review of applications, Applicants may elect to submit three (3) additional paper copies of the application (five total). Applicants who do not provide additional copies will not be penalized.

The application must consist of two (2) separate parts. Part I of the application must contain the Standard Form (SF) 424, "Application for Federal Assistance" and sections A-F of the Budget Information Form SF 424A (see Appendix A). These forms are also available at <http://www.whitehouse.gov/omb/grants>. The application should include the name, address, telephone and fax numbers, and e-mail address (if applicable) of a key contact person at the applicant's organization in case questions should arise.

To be considered responsive to this solicitation, the application must consist of the above-mentioned separate sections not to exceed 30 single-sided (8½" x 11" or A4), double-spaced, 12-point font, typed pages for which a response is submitted. Major sections and sub-sections of the application should be divided and clearly identified (e.g., with tab dividers), and all pages shall be numbered. Any applications that do not conform to these standards may be deemed non-responsive to this solicitation and may not be evaluated. The application must include a table of contents and an abstract summarizing the application in not more than two (2) pages. Standard forms, attachments, résumés, exhibits, letters of support, and the abstract are not counted towards the page limit. If an applicant exceeds the

#### *C. Acceptable Methods of Submission*

The grant application package must be received at the designated place by the date and time specified, or it will not be considered. Applications sent by e-mail, telegram, or facsimile (FAX) will not be accepted. Applications sent by other delivery services, such as Federal Express, UPS, etc., will be accepted; the applicant, however, bears the responsibility for timely submission. Applications that do not meet the conditions set forth in this notice will not be honored. No exceptions to the mailing, delivery, and hand-delivery conditions set forth in this notice will be granted.

Any application received at the Office of Procurement Services after 4:45 pm Eastern Time on Friday, August 22, 2003 will not be considered unless it is received before the award is made and:

- It was sent by registered or certified mail no later than the fifth calendar day before the closing date; or
- It was sent by U.S. Postal Service Express Mail/Next Day Service from the post office to the addressee no later than 5 pm at the place of mailing two (2) working days (excluding weekends and Federal holidays), prior to closing date; or
- It is determined by the Government that the late receipt was due solely to mishandling by the Government after receipt at the U.S. Department of Labor at the address indicated.

The only acceptable evidence to establish the date of mailing of a late application sent by registered or certified mail is the U.S. Postal Service postmark on the envelope or wrapper and on the original receipt from the U.S. Postal Service. If the postmark is not legible, an application received after the above closing time and date shall be processed as if mailed late. "Postmark" means a printed, stamped, or otherwise placed impression (not a postage meter machine impression) that is readily identifiable without further action as having been applied and affixed by an employee of the U.S. Postal Service on the date of mailing. Therefore, applicants should request that the postal clerk place a legible hand cancellation "bull's-eye" postmark on both the receipt and the envelope or wrapper.

The only acceptable evidence to establish the date of mailing of a late application sent by U.S. Postal Service Express Mail/Next Day Service from the

post office to the addressee is the date entered by the Post Office receiving clerk on the "Express Mail/Next Day Service—Post Office to Addressee" label and the postmark on the envelope or wrapper on the original receipt from the U.S. Postal Service. "Postmark" has the same meaning as defined above. Therefore, applicants should request that the postal clerk place a legible hand cancellation "bull's-eye" postmark on both the receipt and the envelope or wrapper.

The only acceptable evidence to establish the time of receipt at the U.S. Department of Labor is the date/time stamp of the Procurement Service Center on the application wrapper or other documentary evidence or receipt maintained by that office.

All applicants are advised that U.S. mail delivery in the Washington DC area has been slow and erratic due to concerns involving anthrax contamination. Applicants must take this into consideration when preparing to meet the application deadline. It is recommended that you confirm receipt of your application with your delivery service.
