

Grantee(s) participate on an evaluation team (e.g., travel, per diem).

- Submit trip reports to USDOL within fourteen (14) calendar days of project-related travel. If the implementing partner travels with a USDOL staff member, the implementing organization will submit a draft trip report to the staff member within fourteen (14) calendar days of project-related travel for comments. The format for the trip report will be provided by USDOL.

- Inform USDOL/ILAB at least one (1) month prior to scheduling any major public events or ceremonies regarding the project.

- Submit to USDOL all media-related and educational materials developed by it or its sub-contractors under this Grant(s), including relevant press releases, for use in this project before they are reproduced, published, or used. The Grantee(s) must consult with USDOL to ensure that materials are compatible with USDOL materials relating to its International Cooperation Program. USDOL considers brochures, pamphlets, videotapes, slide-tape shows, curricula, and any other training materials used in the project to be educational materials. USDOL will review materials for technical accuracy. USDOL will also review training curricula and purchased training materials for accuracy before they are used. The Grantee(s) must obtain prior approval from the Grant Officer for all materials developed or purchased under this grant. All materials produced by Grantee(s) must be provided to USDOL in digital format for possible publication.

IV. Key Personnel And Sub-Contractors

USDOL considers the "Project Director" or equivalent to be "key personnel" in this project. Project Directors should be fluent in English and either French or Arabic (written and spoken). USDOL expects all key personnel to work full-time on the project.

The Grant Officer must approve candidates for all key personnel positions. USDOL's Grant Officer's Technical Representative (GOTR) shall review candidates' qualifications and provide recommendations to the Grant Officer regarding the selection of candidates for all key personnel positions. The Grantee(s) shall submit résumés, curricula vitae, and other relevant information to the GOTR and receive approval from the Grant Officer before extending an offer of employment and before the nominated individual conducts any activities.

Key personnel may only be changed with the approval of the Grant Officer. The Grantee(s) shall not substitute or replace key personnel unless new personnel are at least equal in qualifications to those personnel who are replaced. If a need to find new key personnel arises, the Grantee(s) shall notify the GOTR as soon as the need becomes known. If the Grant Officer is unable to approve the personnel change, he/she reserves the right to terminate the grant.

Organizations may apply for funding in partnership with other organizations, but in such a case, a lead organization must be identified. Use of sub-contractors is subject to Federal laws and regulations, including OMB circulars requiring free and open competition for procurement transactions.

The Grant Officer must approve all sub-contractors. USDOL's Grant Officer's Technical Representative (GOTR) shall review candidates' qualifications and provide recommendations to the Grant Officer regarding the selection of candidates for all sub-contractors. The lead organization shall submit a list of previous projects implemented by the proposed sub-contractor, along with a description of qualifications, résumés, curricula vitae, and other relevant information to the GOTR and receive approval from the Grant Officer before extending a sub-contract. The lead organization shall not substitute or replace sub-contractors unless new sub-contractors are at least equal in qualifications to those that are replaced. Sub-contractors may only be changed with the approval of the Grant Officer. If a need to find new sub-contractors arises, the lead organization shall notify the GOTR as soon as the need becomes known.

Note: Except as specifically provided, USDOL/ILAB acceptance of a proposal and an award of federal funds to sponsor any program(s) does not provide a waiver of any grant requirement and/or procedures. For example, if an application identifies a specific sub-contractor to provide the services, the USDOL/ILAB award does not provide the justification or basis to sole-source the procurement, i.e., to avoid competition.

V. Reporting Requirements

All reports (see Appendix B) are due no later than 30 days after the end of a fiscal quarter and shall be submitted in English. USDOL/ILAB and the Grantee(s) should work together to resolve any issues within 30 days of receipt of a report.

A. Financial Reports

The Grantee(s) shall submit financial reports on a quarterly basis. The first reporting period shall end on the last day of the fiscal quarter (December 31, March 31, June 30, or September 30) during which the grant was signed.

The Grantee(s) shall use Standard Form (SF) 269A, Financial Status Report, to report the status of the funds, at the project level, during the grant period. A final SF269A shall be submitted no later than 90 days following completion of the grant period.

If the Grantee(s) uses the U.S. Department of Health and Human Services Payment Management System (HHS PMS), they shall also send USDOL copies of the PSC 272 that it submits to HHS, on the same schedule. Otherwise, the Grantee(s) shall submit Standard Form (SF) 272, Federal Cash Transactions Report, on the same schedule as the SF269A.

Financial reports are due within 30 days of the end of the reporting period (i.e., by April 30, July 30, October 30, and January 30).

B. Technical Reporting Requirements

After signing the agreement, the Grantee(s) shall submit progress reports to USDOL/ILAB at the end of each fiscal quarter. The first reporting period shall end on the last day of the fiscal quarter (December 31, March 31, June 30, or September 30) during which the Grant was signed. Between reporting dates, the Grantee(s) shall also immediately inform USDOL/ILAB of significant developments and/or problems affecting the organization's ability to accomplish work.

The Grantee(s) shall submit two types of progress reports according to the standardized format used by USDOL/ILAB:

1. Status Reports

Status Reports compare actual and planned activities during the reporting period, which consists of one quarter (January–March and July–September). Its purpose is to provide an update on the Workplan, problems/solutions, major achievements, or modifications. The Status Report should be brief and include an attached project Workplan indicating the status of Workplan activities: "completed," "on schedule," "delayed," "cancelled." The body of report should provide a summary explanation of any deviation from the Workplan and recommended actions.

Status Reports are due within 30 days of the end of the reporting period (i.e., by April 30 and October 30).
