

concurrent with the adjudication of a Form I-905 requesting reauthorization to issue health care worker certificates. The DHS will notify the credentialing organization in writing of the results of the review and request for reauthorization. The DHS may conduct a review of the approval of any request for authorization to issue certificates at any time within the 5-year period of authorization for any reason. If at any time the DHS determines that an organization is not complying with the terms of its authorization or if other adverse information relating to eligibility to issue certificates is developed, the DHS may initiate termination proceedings.

(m) *Termination of certifying organizations.* (1) If the DHS determines that an organization has been convicted, or the directors or officers of an authorized credentialing organization have individually been convicted of the violation of state or federal laws, or other information is developed such that the fitness of the organization to continue to issue certificates or certified statements is called into question, the DHS shall automatically terminate authorization for that organization to issue certificates or certified statements by issuing to the organization a notice of termination of authorization to issue certificates to foreign health care workers. The notice shall reference the specific conviction that is the basis of the automatic termination.

(2) If the DHS determines that an organization is not complying with the terms of its authorization or other adverse information relating to eligibility to issue certificates is uncovered during the course of a review or otherwise brought to the DHS' attention, or if the DHS determines that an organization currently authorized to issue certificates or certified statements has not submitted an application or provided all information required on Form I-905 within 6 months of July 25, 2003, the DHS will issue a Notice of Intent to Terminate authorization to issue certificates to the credentialing organization. The Notice shall set forth reasons for the proposed termination.

(i) The credentialing organization shall have 30 days from the date of the Notice of Intent to Terminate authorization to rebut the allegations, or to cure the noncompliance identified in the DHS's notice of intent to terminate.

(ii) DHS will forward to HHS upon receipt any information received in response to a Notice of Intent to Terminate an entity's authorization to issue certificates. Thirty days after the date of the Notice of Intent to Terminate, the DHS shall forward any

additional evidence and shall request an opinion from HHS regarding whether the organization's authorization should be terminated. The DHS shall accord HHS' opinion great weight in determining whether the authorization should be terminated. After consideration of the rebuttal evidence, if any, and consideration of HHS' opinion, the DHS will promptly provide the organization with a written decision. If termination of credentialing status is made, the written decision shall set forth the reasons for the termination.

(3) An adverse decision may be appealed pursuant to 8 CFR 103.3 to the Associate Commissioner for Examinations. Termination of credentialing status shall remain in effect until and unless the terminated organization reapplies for credentialing status and is approved, or its appeal of the termination decision is sustained by the Administrative Appeals Office. There is no waiting period for an organization to re-apply for credentialing status.

(n) *Transition.* (1) *One year waiver.* Under the discretion given to the Secretary, DHS, under section 212(d)(3) of the Act (and, for cases described in paragraph (d)(1) of this section, upon the recommendation of the Secretary of State), the Secretary has determined that until July 26, 2004 the DHS shall, subject to the conditions in paragraph (n)(2) of this section, exercise favorably the discretion given to the Secretary under section 212(d)(3) of the Act and may admit, extend the period of authorized stay, or change the nonimmigrant status of an alien described in paragraph (d)(1) or paragraph (d)(2) of this section to the United States temporarily, despite the alien's inadmissibility under section 212(a)(5)(C) of the Act and paragraph (a) of this section in any case, if the DHS admits the alien, or extends the alien's period of authorized stay, or changes the alien's status on or before July 26, 2004; and the alien is not inadmissible under any other provision of section 212(a) of the Act (or has obtained a waiver of that inadmissibility). On or after July 26, 2004, such discretion shall be applied on a case by case basis.

(2) *Conditions.* Until July 26, 2004, the temporary admission, extension of stay, or change of status of an alien described in paragraph (d)(1) or (d)(2) of this section that is provided for under this paragraph (n) is subject to the following conditions:

(i) The admission, extension of stay, or change of status may not be for a period longer than 1 year from the date of the decision, even if the relevant provision of 8 CFR 214.2 would

ordinarily permit the alien's admission for a longer period;

(ii) The alien must obtain the certification required by paragraph (a) of this section within 1 year of the date of decision to admit the alien or to extend the alien's stay or change the alien's status; and,

(iii) Any subsequent petition or application to extend the period of the alien's authorized stay or change the alien's nonimmigrant status must include proof that the alien has obtained the certification required by paragraph (a) of this section, if the extension or stay or change of status is sought for the primary purpose of the alien's performing labor in a health care occupation listed in paragraph (c) of this section.

(3) *Immigrant aliens.* An alien described in paragraph (a) of this section, who is coming to the United States as an immigrant or is applying for adjustment of status pursuant to section 245 of the Act (8 U.S.C. 1255), to perform labor in a health care occupation described in paragraph (c) of this section, must submit the certificate or certified statement as provided in this section at the time of visa issuance or adjustment of status.

(4) *Expiration of certificate or certified statement.* The individual's certification or certified statement must be used for any admission into the United States, change of status within the United States, or adjustment of status within 5 years of the date that it is issued.

(5) *Revocation of certificate or certified statement.* When a credentialing organization notifies the DHS, via the Nebraska Service Center, that an individual's certification or certified statement has been revoked, the DHS will take appropriate action, including, but not limited to, revocation of approval of any related petitions, consistent with the Act and DHS regulations at 8 CFR 205.2, 8 CFR 214.2(h)(11)(iii), and 8 CFR 214.6(d)(5)(iii).
