Submission for OMB Review; Comment Request

SUPPLEMENTARY INFORMATION: The Department of Commerce has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: National Oceanic and Atmospheric Administration.

Title: NOAA Community-based Restoration Program Progress Reports.

Form Number(s): None.

OMB Approval Number: None.

Type of Request: Regular submission.

Burden Hours: 1,125.

Number of Respondents: 150.

Needs and Uses: The NOAA Community-based Restoration Program (CRP) involves communities in local marine and estuarine habitat restoration. Each fiscal year, NOAA publishes in the Federal Register two notices of availability of financial assistance inviting applications from persons who are interested in obtaining grants to carry out community-based habitat restoration activities through individual projects or restoration partnerships. Successful applicants are now required to submit periodic performance reports and a final report for each award. NOAA proposes to require that specific information be provided in these reports.

Affected Public: Not-for-profit institutions; business or other for-profit organizations; and State, Local, or Tribal Government.

Frequency: On occasion, semi-annually.

Respondent's Obligation: Required to obtain or retain a benefit.
