

The complaint, as supplemented, alleged violations of section 337 in the importation into the United States and the sale within the United States after importation of certain tool handles, tool holders, tool sets, and components therefor by reason of infringement of claims 1, 2, 11, 12, 23, 24, 28, 29, and 30 of U.S. Patent No. 5,911,799 ("the '799 patent") and claims 1, 14, 18, 19, 34, 37, 40, and 41 of U.S. Patent No. 6,311,587 ("the '587 patent"). Id. The Commission named two respondents, Danaher Corporation of Washington, DC, and Danaher Tool Group of Hunt Valley, Maryland (collectively, "Danaher").

On April 22, 2003, the ALJ issued an ID (Order No. 7) terminating the investigation with respect to claims 2, 28, 29, and 30 of the '799 patent and with respect to claim 18 of the '587 patent. On April 24, 2003, the ALJ issued an ID (Order No. 8) amending the complaint and notice of investigation to add as respondents Hi-Five Products Developing Company of Taichung, Taiwan ("Hi-Five"), and Bobby Hu, of Taichung, Taiwan. Those IDs were not reviewed by the Commission.

On May 27, 2003, the Commission investigative attorney ("IA") moved, pursuant to Commission rule 210.15(a), for a summary determination of no violation based upon non-infringement of asserted claims 1, 11, 12, 23, and 24 of the '799 patent and asserted claims 1, 14, 19, 34, 37, 40, and 41 of the '587 patent, the only claims remaining in issue, by the accused tool handles, tool holders, and tool sets imported into and sold in the United States by Danaher. The IA noted that these are the same products that respondents Hi-Five and Hu are accused of selling.

On June 10, 2003, complainant and Danaher filed a joint motion pursuant to Commission rule 210.21(a) and (b) to terminate Danaher as a respondent on the basis of a settlement agreement. On June 11, 2003, Danaher filed a response stating that it would not submit a substantive response to the IA's motion for summary determination in light of the pending joint motion for termination of the investigation based on a settlement agreement. On June 11, 2003, complainant filed its opposition to the IA's motion for summary determination. On June 13, 2003, the IA filed a motion for leave to reply to complainant's opposition with attached reply. On June 18, 2003, complainant filed a reply opposition.

On June 20, 2003, the ALJ issued an ID (Order No. 14) granting the IA's motion for summary determination and terminating the investigation. The ID found no violation of section 337 by

reason of no infringement by any respondent of any of the 12 patent claims remaining in issue in the investigation. The ALJ noted that the June 10, 2003, joint motion for termination was pending before him. ID at 1 n.2. On June 26, 2003, complainant filed a motion for extension of time to file a petition for review of the ID. On June 27, 2003, the Chairman granted the motion and extended complainant's deadline for filing a petition for review until July 3, 2003. On July 2, 2003, the Commission extended the deadline for determining whether to review the ID until Wednesday, August 13, 2003. No petitions for review of the ID were filed.

This action is taken under the authority of section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in section 210.42 of the Commission's rules of practice and Procedure (19 CFR 210.42).

Issued: July 28, 2003.

By order of the Commission.

Marilyn R. Abbott,

Secretary to the Commission.
