IV. EFFECT ON YOU IF YOU DO NOT PROVIDE INFORMATION

The inpatient rehabilitation facility needs the information contained in the IRF-PAI in order to comply with the Medicare regulations. Your inpatient rehabilitation facility will also use the IRF-PAI to assist in providing you with quality care. It is important that the information be correct. Incorrect information could result in payment errors. Incorrect information also could make it difficult to evaluate if the facility is giving you quality services. If you choose not to provide information, there is no federal requirement for the inpatient rehabilitation facility to refuse you services.
