## Expenses and Assessments

### § 983.52 Expenses.

The committee is authorized to incur such expenses as the Secretary finds are reasonable and likely to be incurred by it during each production year for the maintenance and functioning of the committee and for such other purposes as the Secretary may, pursuant to the provisions of this part, determine to be appropriate.

### § 983.53 Assessments.

(a) Each handler who receives pistachios for processing in each production year shall pay the committee on demand, an assessment based on the pro rata share of the expenses authorized by the Secretary for that year attributable to the assessed weight of pistachios received by that handler in that year.

(b) The committee, prior to the beginning of each production year, shall recommend and the Secretary shall set the assessment for the following production year, which shall not exceed one-half of one percent of the average price received by producers in the preceding production year. The committee, with the approval of the Secretary, may revise the assessment if it determines, based on information including crop size and value, that the action is necessary, and if the revision does not exceed the assessment limitation specified in this section and is made prior to the final billing of the assessment.

### § 983.54 Contributions.

The committee may accept voluntary contributions but these shall only be used to pay for committee expenses.

### § 983.55 Delinquent assessments.

Any handler who fails to pay any assessment within the time required by the committee, shall pay to the committee a late payment charge of 10 percent of the amount of the assessment determined to be past due and, in addition, interest on the unpaid balance at the rate of one and one-half percent per month. The late payment and interest charges may be modified by the Secretary upon recommendation of the committee.

### § 983.56 Accounting.

(a) If, at the end of a production year, the assessments collected are in excess of expenses incurred, such excess shall be accounted for in accordance with one of the following:

(1) If such excess is not retained in a reserve, as provided in paragraph (a)(2) of this section, it shall be refunded proportionately to the persons from whom it was collected in accordance with § 983.53: *Provided*, That any sum paid by a person in excess of his/her pro rata share of the expenses during any production year may be applied by the committee at the end of such production year as credit for such person, toward the committee's fiscal operations of the following production year;

(2) The committee, with the approval of the Secretary, may carry over such excess into subsequent production years as a reserve: *Provided*, That funds already in the reserve do not exceed approximately two production years' budgeted expenses. In the event that funds exceed two production years' budgeted expenses, future assessments will be reduced to bring the reserves to an amount that is less than or equal to two production years' budgeted expenses. Such reserve funds may be used:

(i) To defray expenses, during any production year, prior to the time assessment income is sufficient to cover such expenses;

(ii) To cover deficits incurred during any production year when assessment income is less than expenses;

(iii) To defray expenses incurred during any period when any or all provisions of this part are suspended; and

(iv) To cover necessary expenses of liquidation in the event of termination of this part. Upon such termination, any funds not required to defray the necessary expenses of liquidation shall be disposed of in such manner as the Secretary may determine to be appropriate: *Provided*, That to the extent practical, such funds shall be returned pro rata to the persons from whom such funds were collected.

(b) All funds received by the committee pursuant to the provisions of this part shall be used solely for the purpose specified in this part and shall be accounted for in the manner provided in this part. The Secretary may at any time require the committee and its members to account for all receipts and disbursements.

(c) Upon the removal or expiration of the term of office of any member of the committee, such member shall account for all receipts and disbursements for which that member was personally responsible, deliver all committee property and funds in the possession of such member to the committee, and execute such assignments and other instruments as may be necessary or appropriate to vest in the committee full

title to all of the committee property, funds, and claims vested in such member pursuant to this part.

### § 983.57 Implementation and amendments.

The Secretary, upon the recommendation of a majority of the committee, may issue rules and regulations implementing or modifying § 983.47 through § 983.56, inclusive.

## Miscellaneous Provisions

### § 983.58 Compliance.

Except as provided in this part, no handler shall handle pistachios, the handling of which has been prohibited or otherwise limited by the Secretary in accordance with provisions of this part; and no handler shall handle pistachios except in conformity to the provision of this part.

### § 983.59 Rights of the Secretary.

The members of the committee (including successors or alternates) and any agent or employee appointed or employed by the committee, shall be subject to removal or suspension at the discretion of the Secretary, at any time. Each and every decision, determination, or other act of the committee shall be subject to the continuing right of the Secretary to disapprove of the same at any time, and upon such disapproval, shall be deemed null and void.

### § 983.60 Personal liability.

No member or alternate member of the committee, nor any employee, representative, or agent of the committee shall be held personally responsible to any handler, either individually, or jointly with others, in any way whatsoever, to any person, for errors in judgment, mistakes, or other acts, either of commission or omission, as such member, alternate member, employee, representative, or agent, except for acts of dishonesty, willful misconduct, or gross negligence.

### § 983.61 Separability.

If any provision of this part is declared invalid, or the applicability thereof to any person, circumstance, or thing is held invalid, the validity of the remainder, or the applicability thereof to any other person, circumstance, or thing, shall not be affected thereby.

### § 983.62 Derogation.

Nothing contained in this part is, or shall be construed to be, in derogation or in modification of the rights of the Secretary or of the United States to exercise any powers granted by the Act or otherwise, or, in accordance with such powers, to act in the premises whenever such action is deemed advisable.
