SUPPLEMENTARY INFORMATION:

Title: 30 CFR Part 228—Cooperative Activities with States and Indian Tribes.

OMB Control Number: 1010-0087.

Bureau Form Number: None.

Abstract: The Department of the Interior (DOI) is responsible for matters relevant to mineral resource development on Federal and Indian lands and the Outer Continental Shelf (OCS). The Secretary of the Interior (Secretary) under the Mineral Leasing Act (30 U.S.C. 1923) and the Outer Continental Shelf Lands Act (43 U.S.C. 1353) is responsible for managing the production of minerals from Federal and Indian lands and the OCS, collecting royalties from lessees who produce minerals, and distributing the funds collected in accordance with applicable laws. The Secretary has an Indian trust responsibility to manage Indian lands and seek advice and information from Indian beneficiaries. MMS performs the royalty management functions and assists the Secretary in carrying out DOI's Indian trust responsibility.

The Secretary of the Interior is authorized by Public Law 97-451, the Federal Oil and Gas Royalty Management Act of 1982 (FOGRMA), 30 U.S.C. 1732, and 30 U.S.C. 1701 *et seq.* to enter into cooperative agreements using the capabilities of tribes to carry out royalty audits and related investigation and enforcement activities. The Federal Oil and Gas Royalty Simplification and Fairness Act of 1996 (RSFA), Public Law 104-185, as corrected by Public Law 104-200, amended FOGRMA and essentially limited 30 CFR Part 228 to Indian tribes. As noted under 30 CFR Part 228.3, this part does not apply to Federal lands. Federal lands are audited by States under the provisions of 30 CFR Part 227, Delegation to States. Cooperative agreements benefit both MMS and Indian tribes by helping to ensure proper product valuation, correct and timely production reporting, and correct and timely royalty payment through the application of an aggressive and comprehensive audit program. To be considered for a cooperative agreement, Indian tribes must comply with the regulations at 30 CFR Part 228 by submitting a written request to the Director, MMS, and preparing a proposal that details the work to be done.

Currently, eight Indian tribes have cooperative audit agreements to perform audits and investigations. When an Indian tribe performs any of the
