COMMODITY FUTURES TRADING COMMISSION**17 CFR Part 30****Foreign Futures and Options Transactions; Correction**

AGENCY: Commodity Futures Trading Commission.

ACTION: Corrections to order.

SUMMARY: This document contains corrections to the Order that was published in the **Federal Register** of July 1, 2003 (68 FR 39006). The Order, issued pursuant to Commission Rule 30.10, granted an exemption to firms designated by the ASX Futures Exchange Proprietary Limited ("ASXF") from the application of certain of the Commission's foreign futures and options rules based on substituted compliance with Australia's comparable regulatory and self-regulator regime.

EFFECTIVE DATE: August 6, 2003.

SUPPLEMENTARY INFORMATION:**Background**

Commission Rule 30.4 requires that persons that solicit or accept orders, and

funds related thereto, from customers located in the U.S. for trading on futures exchanges located outside the U.S. must register as futures commission merchants. Commission Rule 30.10 permits persons to petition for exemption from any Part 30 rule. Under Rule 30.10, the Commission has issued numerous orders to foreign futures exchanges that petition, on behalf of their members, for relief from compliance with the Commission's Part 30 rules based on the members' substituted compliance with their home country regulatory framework. The Commission's Order under Rule 30.10 as published in the **Federal Register** incorrectly identified the order recipient, ASXF, as the ASX Futures Exchange Party Limited. ASXF has informed the Commission that the abbreviation "Pty" stands for "Proprietary" and not "Party."

Need for Correction

As published, the Order contains errors that may be misleading and need clarification.

Correction of Publication

Accordingly, the publication on July 1, 2003 of an Order, which was the subject of FR Doc. 03-16516, is correct as follows:

On page 39006, in the first column, in the Summary, line 5, and in the second column, in the Supplementary Information, second paragraph, line 3, the word "Party" is corrected to read "Proprietary" in both instances.

Issued in Washington, DC, on July 30, 2003 by the Commission.

Jean A. Webb,

Secretary of the Commission.

Broker-Dealer Exemption From Sending Certain Financial Information to Customers

AGENCY: Securities and Exchange Commission ("Commission").

ACTION: Final rule.

SUMMARY: We are adopting amendments to a rule under the Securities Exchange Act of 1934 that provide a conditional exemption from the rule's requirement that a broker-dealer that carries

customer accounts send its full balance sheet and certain other financial information to each of its customers twice a year. Under the amendments, the broker-dealer can send its customers summary information regarding its net capital, as long as it also provides customers with a toll-free number to call for a free copy of its full balance sheet, makes its full balance sheet available to customers over the Internet, and meets other specified requirements. The amendments are intended to reduce the cost of doing business for a broker-dealer while providing customers of the broker-dealer with easy access to the information they need to evaluate the financial soundness of the broker-dealer.

EFFECTIVE DATE: September 5, 2003.

The full balance sheet includes footnote disclosures required by generally accepted accounting principles ("GAAP") and a footnote disclosing the amount of net capital the broker-dealer held as of the balance sheet date and the minimum amount of net capital we required the broker-dealer to hold as of that date.³ There are currently
