Continuation of Suspension of Liquidation

In accordance with section 735(c)(1)(B)(ii) of the Act, we are directing the U.S. Bureau of Customs and Border Protection (BCBP) to continue the suspension of liquidation of entries of subject merchandise from the PRC, that are entered, or withdrawn from warehouse, for consumption on or after March 17, 2003 (the date of publication of the *Preliminary Determination* in the **Federal Register**). We will instruct the BCBP to require a cash deposit or the posting of a bond equal to the weighted-average amount by which normal value exceeds the U.S. price, as indicated in the chart below. These suspension of liquidation instructions will remain in effect until further notice.

Final Determination of Investigation

We determine that the following weighted-average percentage margins exist for the period January 1, 2002 through June 30, 2002:

Manufacturer/exporter	Weighted-average margin (percent)
Qingdao Red Star Chemical Import & Export Co	34.44
PRC-Wide Rate	81.30

The PRC-wide rate applies to all entries of the merchandise under investigation except for entries from Qingdao Red Star.

International Trade Commission Notification

In accordance with section 735(d) of the Act, we have notified the International Trade Commission (ITC) of our determination. As our final determination is affirmative, the ITC will determine, within 45 days, whether

these imports are materially injuring, or threaten material injury to, the U.S. industry. If the ITC determines that material injury, or threat of material injury does not exist, the proceeding will be terminated and all securities posted will be refunded or cancelled. If the ITC determines that such injury does exist, the Department will issue an antidumping duty order directing BCBP officials to assess antidumping duties on all imports of subject merchandise entered for consumption on or after the effective date of the suspension of liquidation.

This notice also serves as a reminder to parties subject to APO of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305. Timely notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

Background

On February 9, 1995, the Department published in the **Federal Register** the antidumping duty order on coumarin from the PRC. *See Notice of Antidumping Order: Coumarin from the People's Republic of China*, 60 FR 7751. According to Berjé, Rhone-Poulenc Specialty Chemicals Company (Rhone-Poulenc), the petitioner, was the only domestic coumarin producer at the time of the original investigation. Since the original investigation, Rhone-Poulenc has changed its company name and now does business under the name Rhodia, Inc. (Rhodia). Bergé informed the Department that Rhodia, in a press release dated November 28, 2001, announced its intent to cease production of coumarin in 2002. Berjé further provided information obtained
