

Exhibit A

Co-Palletization Report to be filed by each participant

No. of New Titles in Run*	
---------------------------	--

	Without Co-palletization		With Co-palletization			
	Sacked	Palletized	Total	Sacked	ADC Pallets	SCF Pallets
No. of Containers			-			
Weight (lbs.)			-			
Addressed Pieces			-			
					ADC Pallets	SCF Pallets
					Existing Pallets Built Upon	Total

*For the first report in each 6-month period (for which the Postal Service reports data) each participant (consolidator/printer) will be asked to provide the number of titles that are co-palletized & dropshipped. For each new run, only the number of new titles (not previously co-palletized) will be reported.

Note: Sacked volume before co-palletization should equal the total volume after Co-palletization
