

of subject merchandise from the PRC, including Clipper and Golden Light, the cash-deposit rate will be the rate applicable to the PRC supplier of that exporter. These deposit requirements shall remain in effect until publication of the final results of the next administrative review.

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) (2001) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during these review periods. Pursuant to 19 CFR 351.402(f)(3), failure to comply with this requirement, could result in the Department's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

We are issuing and publishing this determination and notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.210(c) (2001).

Dated: January 21, 2003.

Faryar Shirzad,

Assistant Secretary for Import Administration.

Scope of the Order

The products covered by this antidumping duty order are natural honey, artificial honey containing more than 50 percent natural honey by weight, preparations of natural honey containing more than 50 percent natural honey by weight, and flavored honey.

¹ We are continuing the new shipper review of the antidumping duty order on honey from the People's Republic of China for Wuhan Bee Healthy Co., Ltd.

The subject merchandise includes all grades and colors of honey whether in liquid, creamed, comb, cut comb, or chunk form, and whether packaged for retail or in bulk form. The merchandise subject to this order is currently classifiable under subheadings 0409.00.00, 1702.90.90, and 2106.90.99 of the Harmonized Tariff Schedule of the United States (HTSUS). Although the HTSUS subheadings are provided for convenience and U.S. Customs Service (U.S. Customs) purposes, the Department's written description of the merchandise under order is dispositive.

Background

On June 28, 2002, Chengdu-Duijiangyan Dubao Bee Industrial Co., Ltd. (Dubao), a producer and exporter of subject merchandise, submitted a request for a new shipper review. Dubao certified in its new shipper review request that (1) it did not export honey to the United States during the period of investigation (POI), (2) it has never been affiliated with any exporter or producer which did export honey during the POI, and (3) its export activities are not controlled by the central government of the People's Republic of China (PRC). Based on Dubao's certifications, the Department initiated a new shipper review of the antidumping duty order on honey from the PRC for "Chengdu-Duijiangyan Dubao Bee Industrial Co., Ltd." for the time period December 1, 2001, through May 31, 2002. *See Honey from the People's Republic of China: Initiation of New Shipper Antidumping Duty Reviews*, 67 FR 50862 (August 6, 2002).

On November 21, 2002, Dubao informed the Department that its counsel incorrectly referred to Dubao as "Chengdu-Duijiangyan Dubao Bee Industrial Co., Ltd." in its submissions to the Department. Dubao claims that the correct name of the company is "Sichuan-Duijiangyan Dubao Bee Industrial Co., Ltd." We did not receive any comments from the American Honey Producers Association nor the Sioux Honey Association (collectively, petitioners) on this issue.

Rescission of Review

Dubao did not provide the Department with the correct certifications required under 351.214(b)(2) of the Department's regulations for a new shipper review. The Department's regulations at 19 CFR 351.214(b)(2) state that, if the company requesting the review is both the exporter and the producer of the subject merchandise, then the request from this company must contain a certification that the company did not export subject
