

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on January 24, 2003, based on a complaint filed by Charles D. Walkden ("Walkden") of Homer, Alaska. 68 FR 3550 (2003). The complaint, as amended, alleged violations of section 337 in the importation, sale for importation, and sale within the United States after importation of certain truck bed ramps and components thereof that infringe claim 1 of U.S. Patent No. 5,795,125 ("the '125 patent"). The Commission named as respondents ETEC of Saskatoon, SK, Canada; Textron Inc. ("Textron") of Providence, Rhode Island; VIP Distributing of Anchorage, Alaska; Southwest Distributing Co. of Clinton, Oklahoma; and Hamilton Equipment Inc. of Ephrata, Pennsylvania. *Id.* Textron was subsequently terminated from the investigation on the basis of a consent order.

On June 2, 2003, the Commission investigative attorney ("IA") moved pursuant to Commission rule 210.15(a) for summary determination of non-infringement. On July 10, 2003, the ALJ issued an ID granting the IA's motion. No petitions for review of the ID were filed.

This action is taken under the authority of section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and 210.42 of the Commission's Rules of Practice and Procedure (19 CFR 210.42).

Issued: August 6, 2003.

By order of the Commission.

Secretary to the Commission.

DEPARTMENT OF JUSTICE

[AAG/A Order No. 015-2003]

Privacy Act of 1974; Systems of Records

Pursuant to the Privacy Act of 1974 (5 U.S.C. 552a), the Department proposes to modify the following Privacy Act systems of records:

Central Civil Rights Division Index File and Associated Records, JUSTICE/CRT-001 (previously published on February 20, 1998, at 63 FR 8659);

Civil Rights Case Load Evaluation System—Time Reporting System, JUSTICE/CRT-003 (previously published on October 17, 1988, at 53 FR 40510);

Registry of Names of Interested Persons Desiring Notifications of Submissions Under Section 5 of the Voting Rights Act, JUSTICE/CRT-004

(previously published on October 17, 1988, at 53 FR 40511);

Files on Employment Civil Rights Matters from Persons Outside of the Department of Justice, JUSTICE/CRT-007 (previously published on October 17, 1988, at 53 FR 40512); and Civil Rights Division Travel Reports, JUSTICE/CRT-009 (previously published on October 17, 1988, at 53 FR 40514).

The Department is publishing modifications to the above systems of records. This notice includes some major changes such as adding new routine uses. Also, the Department made other non-substantive changes in all the above systems to provide clarification, such as to correct typographical errors, to provide updated addresses, to update information on particular statutes, to clarify existing routine uses, to add data elements omitted from previous notices, and to reflect nomenclature changes. The proposed rule for the Privacy Act exemptions is also being updated and is published in today's **Federal Register**.

First, in the Central Civil Rights Division Index File and Associated Records system, CRT-001, the Department proposes to allow records which may disclose a violation or potential violations of law to be referred to the appropriate authority charged with the responsibility for investigation, enforcing or prosecuting such violation. Two other routine use disclosures permit the disclosure of information regarding the progress and results of investigations to contractors, experts, students, consultants, mediators, negotiators, and other persons performing work or on assignment to the Federal Government. Another routine use will permit the disclosure of information to former employees of the Department for matters in which they were involved. In addition, a revised routine use will permit disclosure of health care-related information obtained during health care-related investigations.

Second, the Department proposes to add five routine use disclosures to Civil Rights Interactive Case Management System, CRT-003. The first routine use allows records which may disclose a violation or potential violations of law to be referred to the appropriate authority charged with the responsibility for investigation, enforcing or prosecuting such violation. Two routine uses are similar to those above: To permit the disclosure of information regarding the progress and results of investigations to contractors, experts, students, consultants, and other persons performing work or on

assignment to the Federal Government; and to permit the disclosure of information to former employees of the Department for matters in which they were involved. One routine use will permit disclosure to complainants and victims to provide information about the progress and/or results of an investigation or case. Further, information may be disclosed to the media under certain circumstances unless it would constitute an unwarranted invasion of personal privacy.

Third, the Department proposes to add three routine use disclosures to Registry of Names of Interested Persons Desiring Notifications of Submissions Under Section 5 of the Voting Rights Act, CRT-004. Two routine uses are similar to that above: To permit the disclosure of information regarding the progress and results of investigations to contractors, experts, students, consultants, and other persons performing work or on assignment to the Federal Government; and to permit the disclosure of information to former employees of the Department for matters in which they were involved. Another routine use will allow records which may disclose a violation or potential violations of law to be referred to the appropriate authority charged with the responsibility for investigation, enforcing or prosecuting such violation.

Fourth, the Department proposes to add three routine use disclosures to Files on Employment Civil Rights Matters from Persons Outside of the Department of Justice, CRT-007. This routine use will permit the disclosure to complainants and victims to provide information about the progress or results of an investigation or case. Two routine uses are identical to that above: To permit the disclosure of information regarding the progress and results of investigations to contractors, experts, students, consultants, and other persons performing work or on assignment to the Federal Government; and to permit the disclosure of information to former employees of the Department for matters in which they were involved. One routine use will permit disclosure to complainants and victims to provide information about the progress or results of an investigation or case.

Fifth, the Department proposes to add two identical routine uses as those above, for disclosure to contractors and former employees, in Civil Rights Division Travel Reports, CRT-009. The other routine use will allow records which may disclose a violation or potential violations of law to be referred to the appropriate authority charged with the responsibility for investigation,
