Title: Reports by Carriers on Incidents Involving Animals During Air Transport.

Type of Request: New Collection.
OMB Control Number: 2120–xxxx.
Form(s): N/A.

Affected Public: A total of 30 transport air carriers.

Abstract: Congress mandated this rule as part of Public Law 106–810, to require air carriers to track and report incidents of loss, injury, or death of a pet during transport. The information gathered and reported by the air carriers will provide the public with valuable information when choosing an air carrier to use when traveling with a pet. Air carriers that transport pets will be the respondents.

Estimated Annual Burden Hours: An estimated 360 hours annually.

ADDRESSES: Send comments to the Office of Information and Regulatory Affairs, Office of Management and Budget, 725 17th Street, NW., Washington, DC 20503, Attention FAA Desk Officer. Comments are invited on: Whether the proposed collection of information is necessary for the proper performance of the functions of the Department, including whether the information will have practical utility; the accuracy of the Department's estimates of the burden of the proposed information collection; ways to enhance the quality, utility and clarity of the information to be collected; and ways to minimize the burden of the collection of information on respondents, including the use of automated collection techniques or other forms of information technology.

Issued in Washington, DC, on August 5, 2003.
