Review, 68 FR 17343 (April 9, 2003) ("Preliminary Results").

Since the *Preliminary Results*, the following events have occurred: We received case briefs from Rhodia, Inc. The Department has now completed this antidumping duty administrative review in accordance with section 751 of the Tariff Act of 1930, as amended (the "Act").

The product covered by this review is bulk acetylsalicylic acid, commonly referred to as bulk aspirin, whether or not in pharmaceutical or compound form, not put up in dosage form (tablet, capsule, powders or similar form for direct human consumption).
