

Public Power District (OPPD). The Fort Calhoun Station, Unit 1, is located in Washington County, Nebraska. Possible alternatives to the proposed action (license renewal) include no action and reasonable alternative methods of power generation.

It is stated in Section 9.3 of the report:

Based on (1) the analysis and findings in the GEIS (NRC 1996; 1999); (2) the ER [Environmental Report] submitted by the OPPD (OPPD 2002); (3) consultation with Federal, State, and local agencies; (4) the staff's own independent review; and (5) the staff's consideration of the public comments received, the recommendation of the staff is that the Commission determine that the adverse environmental impacts of license renewal for Fort Calhoun Station Unit 1 are not so great that preserving the option of license renewal for energy-planning decision makers would be unreasonable.

The final Supplement 12 to the GEIS is available for public inspection in the NRC Public Document Room (PDR) located at One White Flint North, 11555 Rockville Pike (first floor), Rockville, Maryland, or from the Publicly Available Records (PARS) component of NRC's Agencywide Documents Access and Management System (ADAMS). ADAMS is accessible from the NRC Web site at <http://www.nrc.gov> (the Public Electronic Reading Room). Persons who do not have access to ADAMS, or who encounter problems in accessing the documents located in ADAMS, should contact the PDR reference staff at 1-800-397-4209, 301-415-4737, or by e-mail to pdr@nrc.gov.

For Further Information Contact: Mr. Jack Cushing, License Renewal and Environmental Impacts Program, Division of Regulatory Improvement Programs, U.S. Nuclear Regulatory Commission, Washington, DC 20555. Mr. Cushing may be contacted at (301) 415-1424 or by writing to Jack Cushing, U.S. Nuclear Regulatory Commission, Mail Stop O-11-F1.

Dated at Rockville, Maryland, this 11th day of August, 2003.

For the Nuclear Regulatory Commission.

John Tappert,

Acting Program Director, License Renewal and Environmental Impacts Program, Division of Regulatory Improvement Programs, Office of Nuclear Reactor Regulation.

BILLING CODE 7590-01-P

OFFICE OF MANAGEMENT AND BUDGET

Information Collection; Request for Public Comments

AGENCY: Office of Management and Budget, Executive Office of the President.

ACTION: Notice and request for comments.

SUMMARY: In compliance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Office of Management and Budget (OMB) invites the general public and Federal agencies to comment on renewal and changes to two information collection requests from two types of entities: (1) the reports of auditors to auditees concerning audit results, audit findings, and questioned costs, and (2) reports from auditees to the Federal Government providing information about the auditees, the awards they administer, and the audit results. These collection efforts are required by the Single Audit Act Amendments of 1996 (31 U.S.C. 7501 *et seq.*) and OMB Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations."

Included as part of this information collection is the Data Collection Form (SF-SAC). The changes being proposed are to modify the data elements collected on the SF-SAC. The current Form SF-SAC is being used for audit periods ending in 2001, 2002, and 2003. A revised Form SF-SAC will be used for audit periods ending in 2004, 2005, and 2006.

Additionally, OMB is interested in receiving comments on ways to streamline the submission of the Data Collection Form (SF-SAC) and the single audit reporting packages (e.g., electronic submission) to more fully comply with the Government Paperwork Elimination Act (Pub. L. 105-277).

DATES: Submit comments on or before October 14, 2003. Late comments will be considered to the extent practicable.

ADDRESSES: Due to potential delays in OMB's receipt and processing of mail sent through the U.S. Postal Service, we encourage respondents to submit comments electronically to ensure timely receipt. We cannot guarantee that comments mailed will be received before the comment closing date.

Electronic mail comments may be submitted to: tramsey@omb.eop.gov. Please include "Form SF-SAC Comments" in the subject line and the full body of your comments in the text of the electronic message and not as an

attachment. Please include your name, title, organization, postal address, telephone number, and E-mail address in the text of the message. Comments may also be submitted via facsimile to (202) 395-4915.

Comments may be mailed to Terrill W. Ramsey, Office of Federal Financial Management, Office of Management and Budget, Room 6025, New Executive Office Building, Washington, DC 20503.

Comments: All responses will be summarized and included in the request for OMB approval. All comments will also be a matter of public record.

FOR FURTHER INFORMATION CONTACT: Terrill W. Ramsey, Office of Federal Financial Management, Office of Management and Budget, (202) 395-3812. The proposed revisions to the Information Collection Form, Form SF-SAC can be obtained by contacting the Office of Federal Financial Management as indicated above or by download from the OMB Grants Management home page on the Internet at http://www.whitehouse.gov/OMB/grants/grants_docs.html.

SUPPLEMENTARY INFORMATION:

OMB Control No.: 0348-0057.

Title: Data Collection Form.

Form No: SF-SAC.

Type of Review: Revision of a currently approved collection.

Respondents: States, local governments, non-profit organizations (Non-Federal entities) and their auditors.

Estimated Number of Respondents: 62,400.

Estimated Time per Respondent: 59 hours for each of 400 large respondents and 17 hours for each of 62,000 small respondents for estimated annual burden hours of 1,077,600.

Estimated Number of Responses per Respondent: 1.

Frequency of Response: Annually.

Needs and Uses: Reports from auditors to auditees and reports from auditees to the Federal government are used by non-Federal entities, pass-through entities, and Federal agencies to ensure that Federal awards are expended in accordance with applicable laws and regulations. The Federal Audit Clearinghouse (FAC) (maintained by the U.S. Bureau of the Census) uses the information on the SF-SAC to ensure proper distribution of audit reports to Federal agencies and identify non-Federal entities who have not filed the required reports. The FAC also uses the information on the SF-SAC to create a government-wide database which contains information on audit results. This database is publicly accessible on the Internet at <http://>
