(3) *Submission of petition.* A petition for consideration for visa issuance under INA 203(c) must be submitted to the Department of State by electronic entry to an Internet website designated by the Department for that purpose. No fee will be collected at the time of submission of a petition, but a processing fee may be collected at a later date, as provided in paragraph (i) of this section. The Department will establish a period of not less than thirty days during each fiscal year within which aliens may submit petitions for approval of eligibility to apply for visa issuance during the following fiscal year. Each fiscal year the Department will give timely notice of both the website address and the exact dates of the petition submission period, as well as other pertinent information, through publication in the **Federal Register** and such other methods as will ensure the

widest possible dissemination of the information, both abroad and within the United States.

(c) *Processing of petitions.* Entries received during the petition submission period established for the fiscal year in question and meeting all of the requirements of paragraph (b) of this section will be assigned a number in a separate numerical sequence established for each regional area specified in INA 203(c)(1)(F). Upon completion of the numbering of all petitions, all numbers assigned for each region will be separately rank-ordered at random by a computer using standard computer software for that purpose. The Department will then select in the rank orders determined by the computer program a quantity of petitions for each region estimated to be sufficient to ensure, to the extent possible, usage of all immigrant visas authorized under INA 203(c) for the fiscal year in question. The Department will consider petitions selected in this manner to have been approved for the purposes of this section.

(d) *Validity of approved petitions.* A petition approved pursuant to paragraph (c) of this section will be valid for a period not to exceed Midnight of the last day of the fiscal year for which the petition was approved. At that time, the Department of State will consider approval of the petition to cease to be valid pursuant to INA 204(a)(1)(I)(ii)(II), which prohibits issuance of visas based upon petitions submitted and approved for a fiscal year after the last day of that fiscal year.

(e) *Order of consideration.* Consideration for visa issuance to aliens whose petitions have been approved pursuant to paragraph (c) of this section will be in the regional rank orders established pursuant to that paragraph.

(f) *Allocation of visa numbers.* To the extent possible, diversity immigrant visa numbers will be allocated in accordance with INA 203(c)(1)(E) and will be allotted only during the fiscal year for which a petition to accord diversity immigrant status was submitted and approved. Under no circumstances will immigrant visa numbers be allotted after midnight of the last day of the fiscal year for which the petition was submitted and approved.

(g) *Further processing.* The Department will inform applicants whose petitions have been approved pursuant to paragraph (c) of this section of the steps necessary to meet the requirements of INA 222(b) in order to apply formally for an immigrant visa.

(h) *Maintenance of certain information.* (1) The Department will compile and maintain the following

information concerning petitioners to whom immigrant visas are issued under INA 203(c):

- (i) Age;
- (ii) Country of birth;
- (iii) Marital status;
- (iv) Sex;
- (v) Level of education; and
- (vi) Occupation and level of occupational qualification.

(2) The Department will not maintain the names of visa recipients in connection with this information and the information will be compiled and maintained in such form that the identity of visa recipients cannot be determined therefrom.

(i) *Processing fee.* In addition to collecting the immigrant visa application fee and, if applicable, issuance fees, as provided in §42.71(b) of this part, the consular officer must also collect from each applicant for a visa under the Diversity Immigrant Visa Program such processing fee as the Secretary of State prescribes.
